

HROUGH the facilities of the Press of British Columbia during the ensuing weeks, a series of messages by your Government will deal with the problems confronting the people of British Columbia and the manner in which your Government is endeavouring to meet them.

It is the sincere wish of your Government that legislation enacted or contemplated will do the greatest good to the greatest number of British Columbia's citizens.

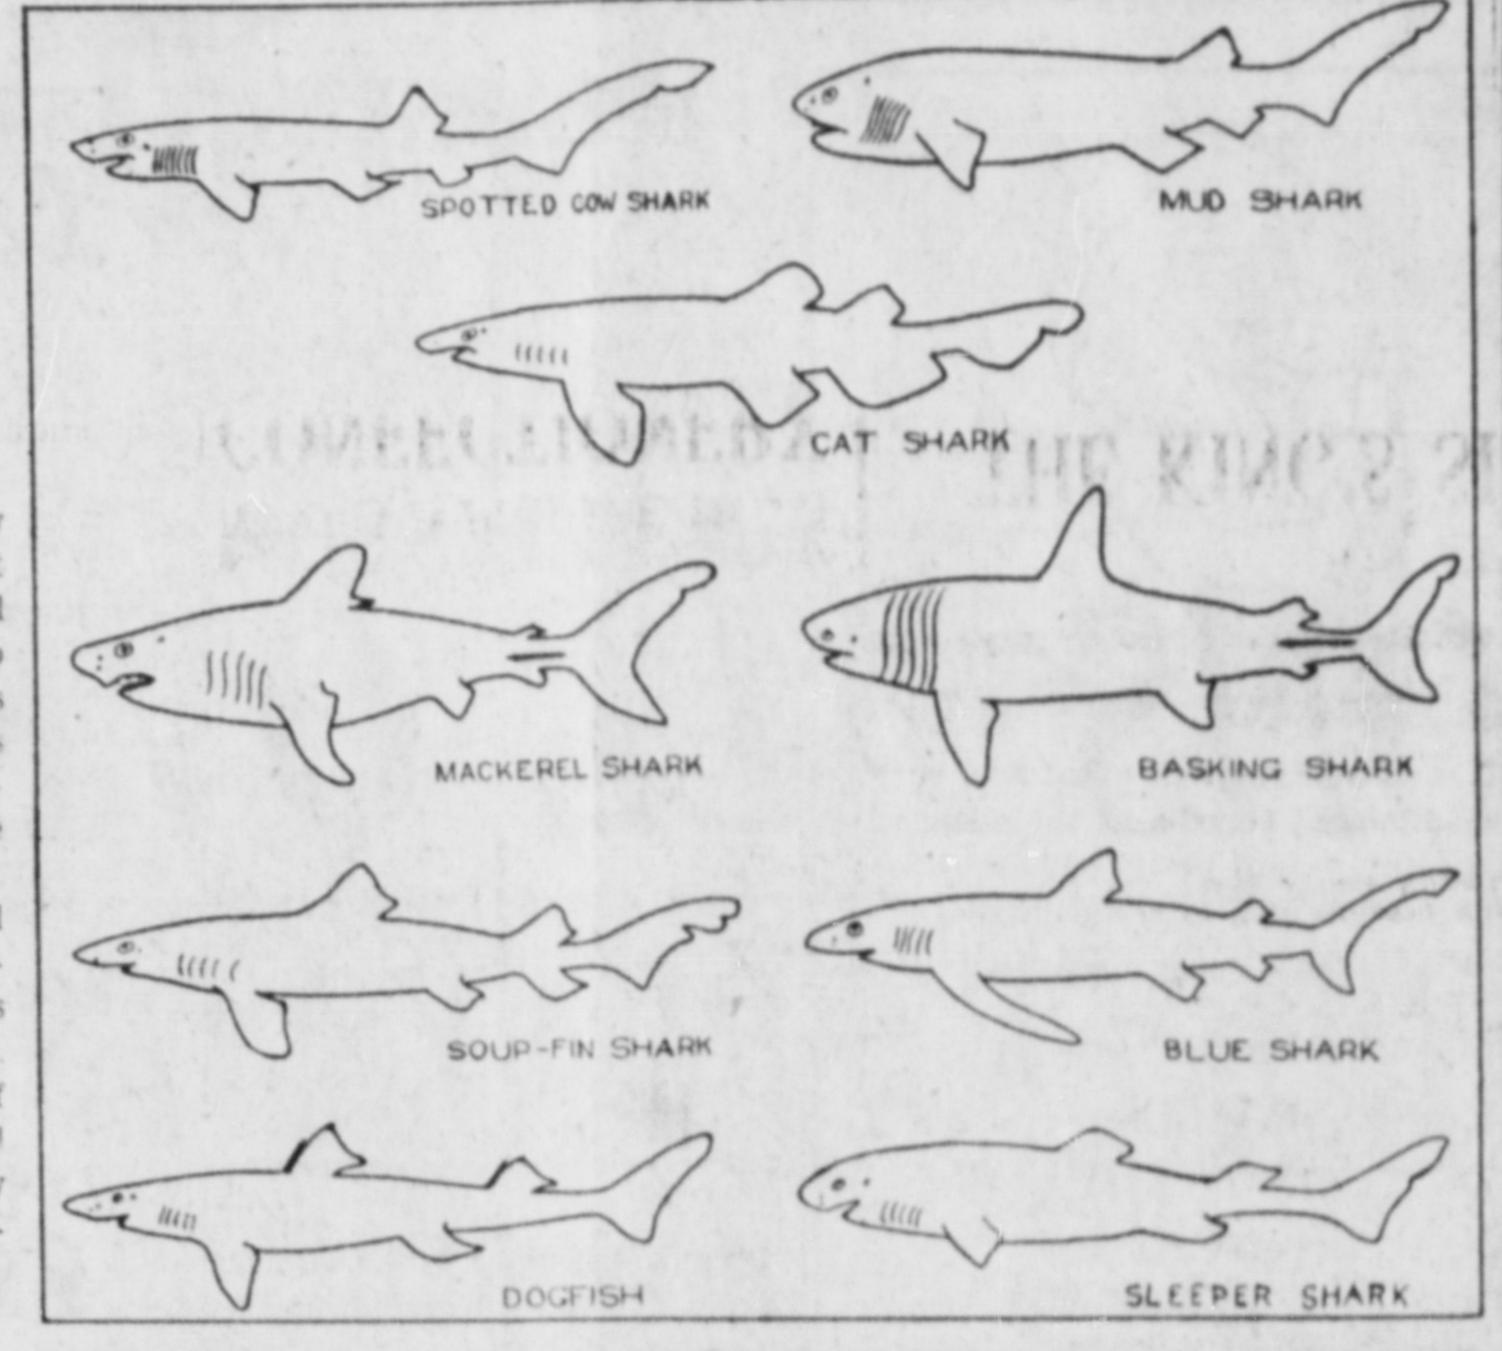

PRIME MINISTER OF BRITISH COLUMBIA

The first of the series will appear in the daily press Tuesday, May 7, and in the rural press during the week.

Sharks Of British Columbia Coast

Through the courtesy of the Prince Rupert Fisheries Experimental Station, we are able to present these drawings of nine species of sharks hat have been authenically recorded on the British Columbia coast The basking shork will be of particular local inerest. The drawings were prepared by Dr. W. 4. Clemens, director of he Nanaimo Biological "tation, and G. V. Wilby of the Provincial Museum at Victoria.

Settlement of Fishermen's Strike an Important And Gratifying Event-Hydrographic Steamer On Queen Charlottes-Fish Landings Increase

An event of major and gratifying importance in Prince Hardie Albright and William Far-Rupert during the past week was the settlement of the num are also featured. fishermen's strike over the question of sharing of halibut In "Kentucky Kernels." Bert ever proceeds. Without discussing the rights or wrongs Wheeler and Robert Woolfey are of the situation or the question of winners or losers in the seen as two vaudeville magicians dispute, it is sufficient to observe that the whole commun- feud.
