PEACE RIVER RAIL OUTLET

The monthly letter issued by the Junior Section of the Prince Rupert Chamber of Commerce contains a reference to the lack of local enthusiasm in regard to the matter of the Peace River railway outlet and suggests that one of the Vancouver papers and one of the Stewart week-lies is still pounding away at the subject. The article says SEA HAWKS it may seem futile but it also says the growth of Vancouver may be attributed largely to ballyhoo and propaganda! "so let's institute a little ballyganda of our own."

YOUTHFUL DELINQUENTS

In another column will be found a letter from a local resident who complains of prowlers and mentions wayward children. He mentions an editorial article in a Vanconver paper which tells of how a bad gang was broken Basketball Buzz up in New York by giving the voungsters something to do. They complained that they had no place to go and nothing to do. so classes were organized in music and art, Moose in tonight's Senior Basketstenography, dramatics and chemistry, subjects chosen by the children themselves and very soon the gangs were too busy to be a nuisance to other people.
