SUNNY LIVING starts at the table

How you feel and how you look depend largely on the foods you eat. The balanced menu provides the "bulk" to prevent common constipation - caused by lack of this essential fiber.

-Common constipation frequently causes headaches, loss of appetite and energy. Yet, in most cases, it can be overcome pleasantly and safely by eating a delicious cereal,

Kellogg's ALL-BRAN is a natural food for normal individuals. It furnishes "bulk" in convenient and concentrated form. ALL-BRAN also provides vitamin B and iron.

Isn't this sunny way better than taking patent medicines? Two tablespoonfuls of ALL-BRAN daily are usually sufficient. Chronic cases, with each meal. If relief is not obtained, see your doctor.

Serve ALL-BRAN as a cereal, or use in cooking. Get the red-and-green package at your grocer's. Made by Kellogg in London, Ontario.
