CHRISTMAS GIVING

Christmas giving very largely comes down to a system or exchange and barter. One person gives in order to get even with the other person who also gives. There is in this no idea of helping. It is purely a happy exchange of courtesies in which the children and the storekeeper benefit.

Another form of Christmas giving is that of giving to those from whom no return is desired or expected. By handing over the money to the Salvation Army to be used where it will do most good this can be achieved. The recipient is placed under no personal obligation to you but at the same time you get the joy and satisfaction which come from having helped a good cause and helped to bring cheer to some home at the festive season. Let us suggest a trial of this system.

JAPAN'S ADVANTAGE

Japan in her career of expansion in Asia is very difficult to stop. She is manipulating in her own back yard far from the influences of Europe. Should objection be taken by a European power or group of European powers, they would have to meet Japan on her own ground very far from their base of supplies.

That is where Japan and Italy differ in their relationships with the European powers that control the League of Nations. Italy, if she went to war with France and Britain, would have to meet these countries near their home bases. War vessels could be concentrated quickly and easily at any point. Troops could be transported without much difficulty.

Evidently Japan knows where her advantage lies and she also knows that this is an opportune time for expansion. She is taking advantage of her opportunities.

HOOP LEAD NOW TIED

Lambie & Stone Defeats Grotto To Go Into Deadlock With Moose For First Place

Lambie Breaks Leg

Accident Marred Senior Game—Intermediate is Close With Scythians Winning

Lambie & Stone defeated the Grotto 35 to 30 in a scrappy senior league basketball game last night to share first place with the Moose in the standing.

The Clothiers took an early lead on the Tobacconists who were minus three of their regulars at the start of the game and, after eight minutes of play, the score stood 9 to nil. Then Stalker came on for the Grotto and the Clothiers' shooting spree was stopped while the Cigar Store men went out and got themselves a few points although they were on the wrong side on an 18 to 11 count at half time.

It was in the second half that the teams settled down and played hard basketball. At times they had the fans on their feet applauding some of the shots. The Smoke Eaters had a one-point lead, 28 to 27, with several minutes to go but Lindsay tied it up for the Ready-to-Wear merchants and they sank three baskets and a penalty while the Grotto got one basket just before the final whistle, to finish up the scoring with the Clothiers on the big end of a 35-30 count.

D. Morrison of Lambie & Stone and Ratchford of the Grotto were bounced on personals. Bill Lambie had the misfortune to break a bone in his leg just above the ankle and he was taken to the hospital.

Intermediate League

Scythians defeated the High School 20 to 17 in a hectic intermediate fixture to make all three teams in the league even in the standing.

The Scythians kept ahead all the way. Murray opened the scoring with a fluky shot and Sonny Beynon broke the tie score of 8 to 8 with a penalty to put his team in the lead. The Scythians got two more points to make the score 11 to 8 with the Students on the short end.

It was in the second half that the game got exciting as neither side could get a lead and, with five or six minutes to go, it was anybody's game. The Students had the best part of the play but they couldn't sink their shots to get the necessary points to win. When the final whistle blew the High School was still on the short end of a 20-17 count.

Ladies' League

The King Edward High School girls in the Ladies' League trampled all over Annette's to win 12 to 2.

The score was 4 to 0 at half time and 6 to 0 at the third period. The Co-eds' combination was clicking and they well deserved their win although Annette's were fighting all the way.

Junior League

The Boy Scouts defeated the High School 25-18 in a fairly fast junior game. The winners were never in doubt as the Scouts were leading 15-5 at the interval. Eastman went on a scoring spree to snare 13 points for his side.
