Eight policemen and at least LONGSHORE nine civilians were admitted to LONGSHORE hospitais and scores of others suffered minor injuries.

Following disposal by tear gas in an attempt to march to the pier strikers spread into the adjoining streets where they hurled rocks and other missiles at the police who followed them into alleys and yards. The struggle was bitter with neither side giving quarter. Isolated officers were beaten and strikers suffered the same fate from the police. As the afternoon wore on the police gradually got the upper hand.

Three police officers and five civilians are still in the hospital this morning with Constable Leonard Cuthbert most seriously injured. Sixteen men and one woman are held in custody on various charges.

The Union Steamship Company announces the resumption of their services with the sailing of the Cardena for Prince Rupert last evening.

Conversations are under way between the British Columbia Federation and representatives of the longshoremen under the chairman-; ship of F. E. Harrison, Dominion lic Fisheries. fair wage officer.

New Ferry Across Skeena River At Usk in Operation,

USK. June 19:-A new pontoon ferry is now in operation across the Skeena River here. It is an excellent craft measuring 41 by 8 Fisheries. feet and provides ample accommodation for vehicular and other traffic. Like the old one, it is a cable ferry. It took a crew of carpenters consisting of William Little, James McGlashan and William King seven weeks to build. Carl Brechin is the ferryman.

Mr. Stanley Baldwin, Britain's Prime Minister

Rt. Hon. Stanley Baldwin, leader of the Conservative party in England and lord president of the council in the Nationalist government which Mr. Ramsay MacDonald led since the last election, has again become prime minister of England with the resignation of his erstwhile chief. Mr. MacDonald takes the post held by Baldwin. "Honest" Stanley Baldwin has twice before been premier of England, leading Conservative governments. He effected a shakeup of the cabinet in the transfer of posts, but retained the Nationalist complexion. Mr. MacDonald was troubled with eye affliction. His health made rest imperative and placed Baldwin again in No. 10 Downing St. Mr. Baldwin is shown above in various poses.

Five Miles of Aircraft Will Be Reviewed by King George As Marshall of the Air Force

Columbia Power Co. Enters Field -To Put in Plant Soon

LIGHT AT

TERRACE, June 19:-The Columbia Power Co., which already provides electric light and power at such points as Smithers, Golden, Williams Lake and Hope, has bought the power lines here and has undertaken with the board of commissioners to provide a 24-hour electric service within twelve months. Leith Murray, company engineer, is expected here shortly now to make arrangements for the installation of a diesel plant providing alternating current. Actually the new power will be available by fall, it is expected.

Except for small private plants, there have been no electric lights in Terrace since the old privately owned plant was burned out a CROPS ARE year or so ago.

GAS BOAT IS BURNED

Craft Owned by George Wesley Of Port Simpson Thought to Be Total Loss

At Warke Canal yesterday a 30foot boat owned by George Wesley of Port Simpson was practically destroyed by fire. She had just completed filling up from a tanker when the fire occurred. Two men were aboard at the time but they escaped uninjured.

The fire was extinguished by the crew of the tanker. They had to chop a hole in the side of the boat to get at the fire.

It is understood the boat will be a total loss.

ELECTION IN MARITIMES

Parties in New Brunswick Have Alternated in Office **Since 1908**

SAINT JOHN, N.B., June 19: (CP)-Will New Brunswick stay Conservative? The main question now in this province will be answered by the electorate June 27. If Liberals under A.A. Dystart overthrow the government of Hon. L. P. D. Tilley the change will follow the general style of New Bruns-

wick politics since 1908. Before that year Liberals were in power for a record stretch of 25 years. Conservatives then held office for the period 1908-1917, followed by the Liberals from 1917 to

The present Conservative regime began in August, 1925, when the party was led by Hon. J. B. M. Baxter, now Chief Justice of New Brunswick, defeated the Liberal government of Hon. P. J. Veniot. who later became Postmaster-General and at present represents Gloucester in the House of Com-

In the last election, June 19, 1930. Premier Baxter's government was returned to power with 31 seats out of 48. The opposition campaign was led by Wendell P. Jones, of Woodstock, later succeeded by Mr. Dysart as Liberal leader for the province. In 1926 the latter became Opposition Leader in the Legis-

Before dissolution last month of New Brunswick's 17th Legislature since Confederation, the government of Premier Tilley had 26 supporters, excluding the Speaker, and Liberals numbered 14.

COMING UP

Growing Weather Has Been Ideal At Terrace During Past Week or So

TERRACE, June 19:-Terrace crops of all kinds have been mak-On arrival of the steamer Prince ing excellent early growth during

Unions. Their places were taken by form well. Vegetables and field others, in fact there was a quick crops are coming up nicely and demand for jobs, and the boat got growing fast. It seems now to be away on time a few minutes after quite likely that the crop may not be as bad as was at first feared.

Commissioner Receives Very Encouraging News in Regard To Proposed Local Industry

Commissioner Alder announced this morning that he had received news from the east that was very encouraging in connection with the proposed new industry for Prince Rupert. Good progress has been made. Incidentally the commissioner remarked that it was one of the biggest things in the west just now and that it was bound to take a little time to bring it to fruition.
