BY APPOINTMENT TO THE Dionne Quintuplets

LAST November, Dr. A. R. Dafee started the Dionne Quintuplets on Carnation Milk. Ever since, they have been thriving on it—gaining famously right along. . . . Many noted baby specialists, you know, prescribe this pure, nourishing, super-digestible milk—now irradiated for "sunshine" vitamin D, at no extra cost. Ask your grocer for the Improved Carnation Milk. Look for the word "Irradiated" on the label. Write for two valuable free booklets—"100 Glorified Recipes" and "Contented Babies."
