LAST WORD ON ELECTIONS

Last night there were two public meetings in the city service men for the purpose of proaddressed by prominent Vancouver public men and one moting an ex-service men's rally outstanding woman. At the one meeting the views ex- held in Hotel Vancouver. Thurspressed were almost wholly opposed to those at the other. day, October 10. This statement The result is that the electors have been rather confused Navy Benevolent Funds cannot by by the various issues brought up. New issues have been used for any such purpose. Dis raised and in some cases minor matters have been stressed bursements are made to institu and important matters emphasized. Tonight there will tions and individual cases for rebe another meeting at which the speakers, following the lief and charitable purposes only usual course of such meetings, will jibe at everything and are confirmed by the Domin ion and Provincial Commands. A done by the old parties, challenge the sincerity of public trustee and signing officer with men and newspapers and be guilty of the sort of conduct Robert Wilkinson, M.L.A., Provin they usually accuse the old parties of following. That cial President, I again assert that will confuse the issues even more.

We ask the electors to remember that Bennett never did anything until faced with an election, that the C. C. F. to the people instead of campaign address here Thursday from his counsel, C. Lloyd Fisher destroying until faced with an election, that the C. C. F. to the people instead of campaign address here Thursday from his counsel, C. Lloyd Fisher destroying until faced with an election, that the C. C. F. for Van-Court of Errors refusing him a new people felt as he candidate of the C. C. F. for Van-Court of Errors refusing him a new people felt as he candidate of the C. C. F. for Van-Court of Errors refusing him a new people felt as he candidate of the Country. In con-that the Country is the federal electrons to the people instead of campaign address here Thursday from his counsel, C. Lloyd Fisher destroying them and he claimed night, W. W. Lefeaux, barrister of the decision of the New Jersey that the Country is the federal electrons and never will. They do not be people felt as he candidate of the C. C. F. for Van-Court of Errors refusing him a new people felt as he candidate of the country. In con-that the Country is the federal electrons and the country is the federal electrons and the country is the federal electrons and the country is the country in the federal electrons and the country is the country in the federal electrons and the country is the country in the federal electrons and the country is the country in the federal electrons and the country is the country in the federal electrons and the country is the country in the federal electrons and the country is the country in the federal electrons and the country is the country in the federal electrons and the country is the country in the federal electrons and the country is the country in the country is the country in the country is the country in the federal electrons and the country is the country in the country is the country in the country is the country in the country is the country is the country in the country is the country in the country is have never done anything and never will. They do not Army and Navy Veterans in Can even have enough candidates in the field to enable them ada. to form a government if all were elected. The hope for Prince Rupert is to elect a Liberal, who will work with a sympathetic government at Ottawa and will bring back prosperity to the country and particularly to Prince Ru-

THE LATEST REACTION

The latest reaction toward Liberalism in the election the various party committees, don' that the rails between Prince Rubank charging more than seven would be dominated by a preponwhich is to take place Monday would seem to indicate mon sense to thing for ourselves? up. He must have a poor idea of was taken over at the old price, the Ontario and the Maritimes. He that the Liberals will have a larger majority than had prince Rupert has been on the the intelligence of the voters of profits on the increase going to dwelt with alleged inconsistencies been recently expected. Even the C. C. F. radio speaker wrong side of the fence for many this part of the country. The Con- the country. He defended the Bank in Liberal campaign arguments, dewould have the largest group in the House of Commons and possibly would have a majority over all.

Prince Rupert Liberals are very optimistic over the lo- ection and with Liberal Provincia cal situation, some of them stating they feel sure they will Houses practically all through the of enfranchising Orientals in Brihave a local plurality of not less than three hundred.

Prime Minister Bennett has made a brave attempt to prosperity, therefore if we study you say that during the last elecpersuade the electors that he really favors reforms but ourselves and district instead of s tion in British Columbia?" his record of the past five years indicates to the working much party nonsence the logica man that nothing of real value to him can be expected thing to do at this time is to vot from the Conservatives.

So far as the C. C. F. is concerned, they are not expected benefit of the district in genera to elect twenty members from the whole Dominion and, and Prince Rupert in particular. knowing what is at stake, the people of Prince Rupert are not likely to be among these. One of the Vancouver C. C. F. candidates, speaking on the radio, said they were not interested in ordinary political problems. They were so- Editor, Daily News: cialists and socialism was their aim and object.

There has been a big swing away from the C. C. F. in your valuable paper, briefly put this constituency within the past week, many electors who before the public one of the out felt inclined to support them having swung back into the standing issues of the present Liberal fold. The weeksground of the we Liberal fold. The uselessness of throwing away their votes chasing the chimera of socialism has been brought are called to face squarely. home to them.

ALL SOCIALISTS While the leaders of the C. C. F. are all socialists and means a vote for Oriental enthe candidates are socialists, many of the people who franchisement; there is no doubt cheer at C. C. F. meetings are anything but socialists. at They are ready to cheer anyone who attacks the old No. 98, page 4547. parties because they feel the old parties have not in the "Mr. Woodsworth-If an Oriental" past moved rapidly enough to suit them. To please these in Alberta or Saskatchewan may; the C. C. F. have a program dealing with various pro-posed changes such as taking over the banks and operat-ing them by the state. This is the server flower than the issues at stake are very coning them by the state. This is the camouflage part of siderable, especially when you their program. What they are really out for is to entirely think of international affairs, and eliminate private ownership under the Marxian plan. I do not think that the attitude of That was made clear Thursday by the radio speaker and certain matter by various other C. C. F. speakers who have held forth "Mr. Mackenzie, in public.

The Letter Box

THIS IS THE MAN

In 1911, Mr. Bennett was one of most fanatical of flag-wavers and no one more passionately than he played on anti-American prejudice to win votes against Reciprocity. In a typical passage in the trade negotiations of 1891, he Canada. said (August 14, 1911):

so low as to allow this country's resources to be exploited by Mr. Taft and the United States. Beause I believe this treaty threatens the Empire, I ask you to smite it with all your might."

Is this the man you would choose to negotiate a reciprocity treaty? LIBERAL.
