consisted of hardwoods or broad-leafed trees, worth barely five million dollars; on the other hand almost one quarter of the lumber cut in the United States consists of hardwoods of which Canada have also a brickyard, which this purchased over \$7,000,000 worth. year will export about 1,000,060 Nearly all of these imports are brick. In addition they have a from the United States and consist of the most valuable species such as oak, hickory, tulip or yellow poplar, chestnut, gum, walnut, cherry and a large amount of hard pine which is so frequently used as a hardword.

**BIG LINER RAMMED** 

London, Sept. 21-Upon leaving Southampton today for New York The hearts of two parents were the White Star liner Olympic, made glad on the arrival Thursday the largest steamer afloat, with of the Prince Rupert, says the every berth filled, was rammed by Portland Canal Miner. Among her own steam.

mill which puts out 200 barrels of flour and 100 barrels of oatmeal daily. Evidently the Doukhobor is beginning to "fit in."-Christian Guardian.
