The Conservative Government During Past Four Years Annual Report of the Has Complied With Nearly Every Request of Trades and Labor Congress of Canada

WORKING MEN AND WOMEN SHOULD SHOW APPRECIATION AND VOTE CONSERVATIVE

Listening to C.C.F. and other radical speakers tell it, one account of relief. With all municipalities and Provincial govwould be led to believe that Premier Benneit had done little or eraments bogged down under a load of debt and faced will nothing for the working men and women of Canada during his the necessity of maintaining thousands of families on relief term of office, when, as a matter of fact, he has put through Premier Bennett raised the money and pramptly paid ou more legislation in the interest of labor in five years than was what was required when provincial and municipal coffers we enacted by any government since Confederation. What other drained dry. It might also be well to bear in mind the fact the government, for instance, ever took a prominent trades un- Canada's per capita payments to unemployed were greater ionist like Tom Moore and put him on a board that is to run than in any other country, not even excepting those countries? such an important commission as the Unemployment and So- where unemployment insurance has been in force for years.] cial Insurance Commission? Tom Moore was president of the If ever the working men and women of any country owed a Trades and Labor Congress of Canada for 17 years and un- debt of gratitude to any one man, the workers of Canada questionably understands actual labor problems as well or surely owe a debt of gratitude to Premier Bennett. They owe better than any other man in the Dominion. When offered him more than that, they owe him their vote and whole this important job by Premier Bennett, Tom Moore accepted hearted support. Unlike Mr. King who openly said, "not one it only after much thought and consultation with other trade panny for the unemployed," Mr. Bennett has been tireless i union leaders. The reason why Tom Moore was persuaded to finding ways and means to get money for them. take the job was because organized labor recognized the fact | It was Wir Bennett's sound tariff, and financial policies | that their president could and would do some useful work for that made refunding possible-policies which turned an adlabor as a member of Premier Bennett's commission on Un- retas trade belance into a most favorable one-policies that employment and Social insurance.

mier Bennett wanted him on the job, and that is also the country saying that Premier Bennett was too forceful, too Premier Bennett is the only Premier Canada ever had who ada and her workers of all classes if during the past five years annually by the Trades and Labor Congress. Unemployment | demical theorists of the Mackenzie Hing type, or by the insurance, the eight-hour day, minimum wages, all these, and ideals to who would change our institutions according to many other less spectacular but equally important measures, jutopian plan, avented by men who have never made an have been put into law by Premier Bennett's government, and measure of real surcess in any practical walk of life. all at the request of trades unionists and other labor groups.

Premier Bennett brought these labor bills before parliament this in his work for farmers and industrial workers. He of provide the money necessary for the huge payments made on see it.

kepr Canada's credit clean, and allowed the government This appointment shows how sincerely Premier Bennett borrow millions at the low interest rates of from 1 to 21/2 per wants the commission to act in the interests of Labor. Mr. cent,-money the Premier had to get to pay relief to the un-Bennett knows quite well that Tom Moore is no "yes man", employed men and women of Canada, most of whom were and that his first thought is always in the interest of the unemployed before ever Mr. Bennett took office. And now workers whether organized or unorganized. That is why Pre- we have a bunch of liliputian politicians who are touring the reason the trades unionists of Canada insisted that he take it. dominant, too strong. Well it would have been God held Canhas thoroughly tried to carry out the recommendations made of world depression, this country had been governed by aca-

Is Promier Bennett strong and forceful?-of course he is Not even in Great Britain (where social measures are held he had to be. his is more than that, he is intensely practical to be the best in the world) has so much progress been made and mest human. His first and only love is for his country and in so short a time, and it should be remembered that when her people, and more especially for the toilers. He has shown he had to force them through over the bitter opposition of needs their support to finish a job that should have been done Mr. Mackenzie King and the Liberal party. Apart from by Mr. King when times were good, and it is our guess that the labor legislation Mr. Bennett has put into force, it must Premier Bennett will get that support from all men and wom surely go to his credit that his government never failed to en who can recognize real worth and character when they
