Leading Hitters For First Half

Baseball League Has Sixteen Men Batting Over .250—George Howe Leading

George Howe of the Elks is leading the parade of batters for the first half of the split season of the City Baseball League with eight hits in 15 trips to the plate. Eddie Smith of the Legion who has been out in front most of the way, was nosed out by three points when Howe got three hits in four times up in Tuesday's game. Sixteen men are batting over .250 with six Sons of Canada, six Elks and four Legionaires.

The game between Legion and Elks, scheduled for tonight, has been cancelled, as it can have no effect upon the outcome of the half as the Sons of Canada have already won that, and the second half of the season will open on Dominion Day when Elks and Sons of Canada tangle.

Following is the standing of batters, players having played in less than half the games not being included:

ANOTHER LIBERAL LANDSLIDE

Editor, Daily News:—

The Daily Province in an editorial recently referred to the coming New Brunswick elections and said that the party politicians at Ottawa were anxiously awaiting the result as an important indication of what might be expected in the coming Dominion election.

Well! The electorate has spoken yet and again and as usual the voice is overwhelmingly Liberal. First British Columbia, then Ontario and Saskatchewan, then the Dominion by-elections and now New Brunswick.

It looks as though the Bennett government will be annihilated and that after the election the C. C. F.'s will constitute the official opposition at Ottawa. More than thirty Conservative members of Parliament have refused to run again, deserting the sinking ship.

The Liberals and Conservatives should get together to give Olof Hanson a big majority once again and not take any chance of having Skeena riding fall between two stools into the hands of the C. C. F.

No intelligent student of the political situation thinks the unpopular Bennett has the ghost of a chance. Hundreds of thousands of voters are impatiently awaiting the chance to condemn him for his broken election pledges. In fact, the only pledge he has kept was his promise to raise high the tariffs and he surely has done that at a terrible cost to the prosperity of Canada.

SKEENA VOTER.

Mrs. J. W. Kilpatrick and little daughter, Rose Marie, will sail tonight on the Princess Adelaide for Vancouver on a two months' vacation trip.

Miss Mary Comadina returned to the city on last night's train after having spent a two weeks' vacation at Smithers as the guest of Mr. and Mrs. S. J. Mayer.
