Strike of Ferry Boat Crews Is On

Only Two Vessels Now Operating Following Breaking Down Of Collective Bargaining Negotiations

SEATTLE, Nov. 16.—Negotiations which it was announced earlier in the week would form a basis of settlement of the strike of Puget Sound ferry boat crews over the privilege of collective bargaining have broken down and yesterday only two small ferry boats were still in operation here.

WATERFRONT WHIFFS

American Halibut Coming in Again—Chris Henriksen Off to California—Skipper Delap to Ireland For Winter—Halibut Fishing Closes Dec. 26

With a resumption of traffic on the line of the Canadian National Railways after a tie-up of two weeks owing to high water trouble, American halibut boats started again to bring their catches into Prince Rupert during the past week for shipment to the eastern markets. Landings for the week were, however, rather light at a total of but 154,000 pounds of which 35,000 was from Canadian vessels and 119,000 pounds from American. This brought the season's total up to 11,004,650 pounds of which 5,109,350 pounds was from Canadian boats and 5,895,300 pounds from American vessels. The boats which landed catches during the week were: Canadian—Pair of Jacks, 14,000 pounds; R. W., 5,000; Signal, 16,000. American—Fremont, 12,500; Norland, 12,500; Oceanic, 8,000; Electra, 40,000; Viking, 9,000; Wizard, 35,000. Prices were from 6.9c and 6c to 7.3c and 6c for Canadian fish and from 8c and 6c to 8.3c and 6c for American.

On two days during the week—Saturday and yesterday—there were no boats in with catches. The freighter Danwood, which it was announced by the Daily News yesterday would be coming here on or about November 30 to load a cargo of aspen and hemlock logs for the Orient, is no stranger to this port. She is a Norwegian motorship and was last here two or three years ago to load a cargo of grain.

Capt. Chris Henriksen, one of Prince Rupert's best known halibut fishermen, accompanied by Mrs. Henriksen, left today aboard his boat Gibson for Vancouver. From there they will motor to California to spend the winter.

Rev. Capt. W. A. Delap, missionary skipper of the Anglican mission boat Northern Cross and Mrs. Delap sailed last night on the Princess Adelaide for Vancouver whence they will proceed to Montreal to embark on the Duchess of Athol for Ireland to spend the winter. After an active season, the Northern Cross has now been tied up for the winter.

John W. Allen, superintendent engineer for Dominion Fisheries, arrived in the city on the Princess Adelaide yesterday afternoon from Vancouver, being here on official business.

Closing of Season
The International Fisheries Commission announces that Areas No. 3 and 4 will be closed to fishing on December 26 at midnight by which time it is estimated the quota for the year will have been reached. This will close all areas on the Pacific Coast to halibut fishing.

Armour Salvage Co.'s service boat Algic, Capt. Oscar Haveroy, returned this afternoon from a trip to Sedgewick Bay, Queen Charlotte Islands, having delivered a scowload of lumber to the J. R. Morgan Logging Co.'s camp there from the Billmor sawmill.

The trolling boat Coolie, with Mr. and Mrs. James Macdonald on board, for which the provincial

police had been requested to make a search, arrived safely in Prince Rupert yesterday. The vessel had left North Island a month ago supposedly for Vancouver via Butedale and Klemtu and, when it failed to reach Vancouver, some anxiety was felt. All the while Mr. and Mrs. Macdonald had been visiting leisurely at Massett unaware that concern was being felt for their safety. They intend to return from here to Massett.

Repairs to Pipe Line Completed

Permanent repairs to the main pipe line between Woodworth and Shawatlans Lake, some ninety feet of which was washed out in the big rainstorm of some three weeks ago, were completed today and a crew of eleven men who have been carrying out the work have returned to the city. The break occurred about 1200 feet above the Shawatlans Lake power house.

In order to restore the city water supply as well as water for the power plant, it was necessary to use cribbing to hold up the replaced section of the pipe line temporarily. Then followed the permanent work which involved the putting in of five concrete piers from ten to fourteen feet in height.

PRINCE RUPERT DRY DOCK AND SHIPYARD

Shipbuilders and Engineers.

ASK YOUR DOCTOR FIRST, MOTHER

Before You Give Your Child an Unknown Remedy to Take

Every day, unthinkingly, mothers take the advice of unqualified persons—instead of their doctors—on remedies for their children. If they knew what the scientists know, they would never take this chance.

Doctors Say PHILLIPS' For Your Child

When it comes to the frequently-used "milk of magnesia," doctors, for over 50 years, have said "PHILLIPS' Milk of Magnesia—the safe remedy for your child." Remember this—And Always Say "Phillips' Milk of Magnesia." When you buy, your child deserves it; for your own peace of mind, see that you get it—Genuine Phillips' Milk of Magnesia.

Also in Tablet Form:

Phillips' Milk of Magnesia Tablets are now on sale at all drug stores everywhere. Each tiny tablet is the equivalent of a teaspoonful of Genuine Phillips' Milk of Magnesia.

Masonic Dance Very Enjoyable

Happy Affair Staged Last Night In Moose Hall by Tsimpsean Lodge

A delightful social innovation here was the dance held last night in Moose Hall by Tsimpsean Lodge No. 58, A. F. & A. M., for the entertainment of members and friends, about 160 persons being in attendance at the affair. The hall had been attractively decorated in light blue and white colors of the lodge, the ceiling having a canopy effect while the orchestra stage was also prettily adorned.

Music was provided by Mrs. J. S. Black's Orchestra for the dancing which continued from 9:30 p.m. until 2 a.m. without let-up except for an hour at midnight when delicious refreshments were served. G. P. Tinker was a genial master of ceremonies. At the opening of the affair, the guests were welcomed by G. V. Wilkinson, the worshipful master.

E. J. Smith was chairman of the general committee which also included William McLeod and A. S. Nickerson. W. D. Vance was chairman of the decoration committee. William Brett presided at the door.

Bridge Party For Boys' Band Funds

Twenty-Three Tables at Enjoyable Affair Last Night in Eagles' Hall

An enjoyable bridge party was held last night by the Prince Rupert Boys' Band Parents' Association in the Eagles' Hall in aid of band funds. There were twenty-three tables and prize winners were as follows: ladies' first, Mrs. F. M. Davis; second, Mrs. Frank Ellison; men's first, George Howe; second, J. G. Viereck. After cards, delicious refreshments were served. William Hutson was master of ceremonies and A. Perkins presided at the door. The committee in charge consisted of Mrs. L. J. Dell, Mrs. J. G. Viereck and Mrs. Theo Fortune.

Story Hour Is Opened Today
