RT. HON. ARTHUR HENDERSON

LONDON, Oct. 18: - Having steadily lost strength following an operation in September, Rt. Hon. Arthur Henderson, former leader of the British Labor Party and former president of the Disarmament Conference, was reported early this morning to be in a critical condition. He had taken a definite turn for the worse yesterday and considerable anxiety is now felt.

American Federation had been of some benefit to unionists in Canada but that stage had long since KING TAKES
