tion for 1934 is \$10,610,822.00.

Discovery Bringing Almost Instant Relief to Millions

Follow Simple Directions:

When you have a cold, remember the simple treatment pictured here . . . prescribed by doctors as the quick,

Results are amazing. Ache and distress go immediately. Because of Aspirin's quick-disintegrating property, Aspirin "takes hold"- almost. instantly. Your cold is relieved "quick as you caught it!"

All you do is take Aspirin and drink plenty of water. Do this every 2 to 4 hours the first day-less often afterward . . . if throat is sore, the Aspirin gargle will ease it in as little as 2 minutes.

Ask your doctor about this. And be sure you get ASPIRIN when you buy. It is made in Canada and all druggists have it. Look for the name Bayer in the form of a cross on every Aspirin tablet. Aspirin is the trade mark of the Bayer Company, Limited.

BRITISH COLUMBIA DEPARTMENT OF MINES

British Columbia has produced over \$1,373,000,000.00 worth of minerals.

Improved base metal prices, the increased value in Gold, and the general trend towards recovery, are bringing about steadily an increasing activity in mining throughout British Columbia. The estimated gold production for the year 1934 showed an increase of 64,543 ounces over 1933, establishing an all-time high

record. The estimated value in Canadian funds of gold produc-
