ERECTION OF CHURCH

Fine New Structure at Port Simpson Nearing Completion

PORT SIMPSON, Feb. 21:—Work is progressing very rapidly on the new United Church building here. At the rate the workmen are going the building should be very nearly complete by the end of March. Just when the final completion and the opening will take place has not been decided upon.

The church replaces one that has been the centre of all missions since the inception of the work of the Methodist Church here.

Progress on the building is being watched with a great deal of sympathetic interest from many sources. Friends even as far east as New Brunswick are making inquiries as are many in the south who have had early connection with the old Grace Church.

The building, when completed, will be altered somewhat from the original plan but is being built to look after the growing work of the church.

GRIPPE is around and it is not safe to neglect even a "slight" cold. Once it reaches the Grippe stage it is much harder to get rid of... and quickly spreads throughout the family.

Check even little colds before they develop. Take a Colman's Mustard bath and sweat out the poisons quickly! That's the way to ward off Grippe.

DR. KERGIN IS SPEAKER

Description of Trip to Honolulu Proves Interesting to Parent Teachers

There was a very large attendance at the regular monthly meeting of the Prince Rupert Parent-Teachers' Association which was held last evening in the Borden Street School with Mrs. D. C. Stuart presiding.

Following the business meeting and musical program, Dr. W. T. Kergin gave an account of some of his experiences and observations arising out of a holiday spent in Honolulu. The physical features of the island, the city of Honolulu and its beaches, the characteristics and customs of the native inhabitants were very interestingly described. The marine life and the major industries of the islands were portrayed in such a vivid manner as to make the address not only most entertaining, but also very instructive.

Miss Marybelle Stiles, with a capably rendered pianoforte solo, and Mrs. C. E. Cullin, with vocal solos, accompanied by Mrs. W. L. Stamford, provided a most acceptable musical program. Hearty votes of thanks were accorded speaker and artists.

During the business meeting Dr. E. E. Lucas was appointed membership convener for King Edward High School and Mrs. A. Mackenzie kindly offered her home for a tea which will be held after Easter.

The meeting ended with the singing of the National Anthem, after which refreshments were served and a pleasant social hour spent.

Port Simpson

Mrs. F. D. Sampare of Kitwanga and her daughter, Mrs. J. Comer of Stewart, are visiting here with Chief Councillor and Mrs. E. F. Dudoward. They are the guests of honor of many social events while they are here.

The Port Simpson Athletic Club was host to the Grotto Club of Prince Rupert during their short visit here. Many kind expressions were exchanged and the Grottos, although they lost to the Athletic Club, were wonderful guests

Mild weather still continues here. There are no herring yet and no sign of any spring salmon. Not even the odd one is being caught.

Rev. Dr. Arthur Barner of Toronto, superintendent of Indian Missions for the United Church of Canada, was a welcome visitor and special services were held at which congratulations were extended the somewhat embarrassed doctor on the honor which the Winnipeg University conferred upon him with the Doctor of Divinity. Dr. Barner has been in the service of the church for over forty years, fourteen of which he has been a regular visitor in his official capacity as Superintendent of Indian Missions.

inion as to whether a slate of officers should be presented to the annual meeting by the executive and, after some discussion, it was decided to have a committee make up a slate and present to the meeting as a suggestion but that it would be open to the meeting to nominate as many as they wish. The committee will secure the consent of the proposed officers in order to avoid confusion at the meeting. The president appointed Theo Collart, Foster Willan and Joe Naylor to be the nominating committee.

A vote of thanks was extended to Mrs. Mandy for the valuable publicity she recently gave the city in a newspaper article in the Vancouver Province.

President H. F. Pullen was in the chair and twelve members were present.
