### HEPBURN'S POSITION

Premier Hepburn of Ontario finds himself in a rather difficult position, somewhat similar to that of Premier Pattullo of British Columbia. The money powers of the country refuse to lend money to enable him to carry on Ritchie. the work of the province. Doubtless, Mr. Hepburn has standing of second half of anticipated such a possibility and will be prepared for his league to date: next move. The incident reminds us that the lot of the Borden reformer is usually a hard one. A politician without Highmoney is apt to become a politician without friends.

### HELPING TO BUILD THE BRITISH 'ROUND-THE-WORLD HIGHWAY

In 1880, the Canadian Pacific Railway was organized for The Bank prompely opened branches at Vancouver and the purpose of completing a line to span the continent.

The Bank's directors, confident of the future of the Dominion, placed a generous share of the Bank's resources This is one of many experiences showing how the Bank behind the project, which was completed in 1886 and of Montreal, looking forward with Canada from the beformed the transcontinental link in the "British Roundthe World Highway." Subsequent events have shown that this undertaking contributed more than any other to the sertlement and development of Western Canada.

Victoria, subsequently at points along the railway which since have become thriving cities.

ginning, has been a useful factor in the development of the country. In the future, the Bank expects to continue that usefulness-to continue to look forward with Canada, toward the nation's furure destiny.
