

The depressed price of farm products is a problem with which everyone is familiar, but on the 1913 basis farm product prices have never been as low as gasoline. Between 1913 and 1920 gasoline did not rise in price to nearly the same extent as farm products, yet since 1920 its price has almost continuously declined. The data for the above graph are based on figures published by the Dominion Bureau of Statistics.

### A DYING WAGE

WHEN we started business in 1880 our first rule was to pay a fair living wage.

In 1919 we decided a living wage was not enough. We should pay a dying wage, too. We knew how hard it is for the worker to make provision for his old age and for his dependents in the event of his death.

So we introduced benefits and pensions plans. Sickness benefits—the incapacitated employee to continue drawing pay according to his term of service; pensions—a fair living allowance for the worker who reaches old

age; death benefits-a cheque immediately for the deceased worker's family. These things lifted a burden of care from our employees' shoulders-made them happier, more enterprising and more efficient. They lifted a burden from the shoulders of the Canadian taxpayer, too.

We are proud of these plans which have helped so much to build up a loyal organization of thousands of Canadian workers. Their devotion to their work has made it possible for us to serve Canada with quality products at lower and lower prices.

Details of arrangements and composition of committees for the annual picnic to be held at Digby Island on June 23 were completed. The invitation of Queen Mary

The support of the local branch of the film "Lest We Forget" was Phone 9 organized. This film: which tells of some of the achievements of the Canadian Corps during the Great War, is essentially a peace film While partially historical it has also the powerful story of the horrible waste and destruction of war and is, therefore, an eloquent plea for developing in the present and younger generation an attitude of mind that will make wars in the future less and less possible.

The branch is forwarding to the annual convention that will be held in Kamloops in August an invitation to hold the 1936 Canadian Legion provincial convention at Prince Rupert.
