#### DECORATION DAY

- "They shall grow not old as we who are left grow old,
- "Age shall not weary them, nor the years condemn, "At the going down of the sun, and in the morning
- "We shall remember them."

Even in the hurry and bustle of life, each day with its problem and anxieties, our thoughts ever turn to those who have made Flanders Fields, and other parts of the Empire, "a little bit of Canada" by their sacrifice. We shared our joys, our cigarettes, our rations. We sang "Tipperary" with them, and "Madamoiselle From Armentierres." We shared the same dugout or shell hole. Yes, we shall remember them. We do it in secret, without display. For they did their work in such a manner.

And it is this thought that is behind Decoration Day, which we commemorate tomorrow. The Soldiers' Plot is a common meeting place, and our thoughts, as we listen! to the service, reach back to France, Belgium and the serried crosses on many a front. And to our comrades who came back and rest here-we remember them, in gratitude, and in pride that we were privileged to be with

"They are not dead, the soldier and the sailor,

- "Fallen for freedom's sake,
- "They merely sleep, with faces that are paler,
- "Till they awake."
- We shall remember and honor.

Love at first sight! It's the usual thing for "roll-yourowners" to prefer Ogden's Fine Cut from the moment they first smoke it.

Ogden's is a great tobacco —as fragrant, mild and mellow as choice, selected leaf can make it. And Ogden's high quality is uniform, too.

LOCAL BASEBALL AIM

Editor, Daily News:-

In reply to letters that have appeared from time to time in the press regarding baseball, on behalf of the Baseball Association, I'd like to explain to the public what object the association has in view. The reason that baseball was in such a deplorable state was due to the fact that for years local boys never were given a chance to learn the game.

We depended on outsiders and, when players came to town for the summer, the local boys were left on the bench. This year the association decided to foster local talent and make their own ball players. When the players were divided up, Lambie and Chenoski were the only pitchers who had experience and, as Chenoski decided to go fishing, Lambie was the only pitcher available. In view of the never faced a fast ball, it was decided to give the youngsters with chance to show their wares and learn with experience.

them change their opinion and, towards the end of the season, we will have a good league if they continue to improve as they have to

That is what the association has in mind—coach local talent and Dan O'Mahaney in Boston, being give every boy a chance who works for it and make our own ball play-

Experience with Chevrolet:

#### "MORE THAN SATISFACTORY

WE HAVE FOUND that when it comes to deciding on new bus or truck equipment, buyers are most influenced by the experience of other operators like themselves. That is why we urge you to read the letter from Mr. A. P. Collins of Canadian Coach Ways, Edmonton - then go out and talk to some of the Chevrolet operators in your own community. You can safely take "the owner's word" for it—when it's a question of the right truck to buy for performance, appearance, freedom from repairs, long life and economy.
