

ASK FOR Kellogg's

Why  
Kellogg's are  
oven-fresh

In hot, muggy weather, when most cereals lose their crispness, Kellogg's Corn Flakes reach your table oven-crisp. They never stay long on your grocer's shelf. An exclusive method of manufacture gives them greater crispness. And only Kellogg's are protected by the heat-sealed WAXTITE bag, inside the red-and-green package.

In summer particularly you want the extra quality and value Kellogg's Corn Flakes give. Matchless flavor and crispness. Many generous servings for a few cents. Insist on the best. Quality guaranteed. Made by Kellogg in London, Ontario.
