Modern External Treatment Helps End Colds Sooner

Just Rubbed on at Bedtime Its Double - Direct Action Continues Through Hours of Restful Sleep.

OFTEN RELIEVES BY MORNING

generations have proved VapoRub the surest help

to a milder, shorter cold. Just rubbed on throat and chest at bedtime, VapoRub acts two ways at once:

1. By stimulation through the skin, like a poultice or plaster. 2. By inhalation of its penetrating medicated vapors, released by body heat and breathed in direct to inflamed air-pas-

Continuing through the night, this combined vapor-poultice action loosens phlegm-soothes irritated membrances - helps break congestion. Often, by morning the worst of the cold is over.

For Fewer and Shorter Colds Note for your family: Vicks has developed, especially for home use a practical Plan for Better Control of Colds. This commonsense guide to fewer and shorter colds has been clinically tested by practicing physicians and further proved in everyday home use by millions. Full details of Vicks Plan come in each VapoRub package.
