EASTER HERE AGAIN

To those religiously inclined Easter is a great occasion, possibly the greatest in all the church year. It is the season when the churches celebrate the great feast of the resurrection, the consummation of the ministration of the Savior. To many the resurrection is looked upon as the central doctrine of their religious faith, hence the great importance of the anniversary.

To those not so religiously inclined Easter signifies the coming of spring with all its beauty and color. Women celebrate it by wearing their new spring clothes. It is the season of hope and joy.

MR. ORME IN THE FIELD

C. H. Orme, undoubtedly, will be the candidate in the Conservative interests for the riding of Skeena in opposition to Olof Hanson. He is well known throughout the district and should put up a good fight. If he wins he will make a good representative and in any event will put up a clean fight and will win or lose as a sportsman should. It is a great thing to have good men in the field, men whom party supporters can vote for without sacrificing their self-respect. We are glad to welcome Mr. Orme into the contest even if we do not support him or his policy during the campaign.

Disdaining the royal box at the Aintree course, his democratic highness, the Prince of Wales, mingled with the other railbirds during the running of the 1935 Grand National steeplechase, March 29. Anyox and Grotto Play to 21-All Score in First of Championship Series

Rough Affair

High School Defeats Canadian Legion in Intermediate Exhibition

Anyox, playing in a strange hall and without the aid of a coach, held the Grotto down to a 21-all score last night in the opening game of the Northern British Columbia championship series. It was one of the roughest and most hectic hoop battles seen in this town for a long while.

Anyox, with Kulal and Currie the leaders in the attack gave a demonstration of dribbling passing, checking and shooting which kept the local defence working overtime. The Grotto, however, held them and managed to make the odd play.

The first ten minutes of the game was good to watch but, from then on, everything went by the boards, and when whistle sounded for the half, score stood 10-8 in favor of Rupert.

In the second half the game became rougher and, with fifteen seconds to go, the score stood 21-20 in favor of Anyox. Then Skinner called a foul on Kulal for stalling. The shot was converted and the argument started. Smith was laid low with ten seconds to go but he missed and that ended the game.

Intermediate Opener

The opening game between the High School and the Canadian Legion was won by the Students, 44-41. It was one of those thrillers, typical of what the intermediate hoopsters have put up this past season. It was fast and furious from start to finish with the Legion dishing out the better brand of ball. They might have won had they not passed up a few golden opportunities in the dying minutes of the game. Halftime score was 22-17 for the High School but the Legion caught up in the second half only to lose in the last three minutes of the game. J. Comadina handled the whistle.

Individual scoring:

Legion (41)—Armstrong (4), McPhee (17), Suehiro (1), Viereck (15), Letourneau (3), Dominato (1).

High School (44)—Campbell (8), Davies (7), Lindsay (24), Morgan (4), Tobey, Murray, McMeekin (1), Fulton.

Annual Softball Meet Postponed

League in Satisfactory Financial Position and Good Season Anticipated

A softball meeting was held in the Canadian National Recreation Association Hall on Thursday night to discuss the formation of the 1935 league. The financial report for the past season was read and proved to be very satisfactory indeed, there being every indication that this will be the most successful season to date.

After a discussion, it was decided to call another meeting next Thursday night in the Elks' Hall for the purpose of accepting entries from any teams wishing to play and to elect officers for the 1935 season.

It is hoped to get the league started as early as possible in May and, with the great improvement shown by many of the participants, there should be a very fine brand of ball played.

Mrs. A. E. Perkins left on last evening's train for St. Lambert's, Quebec, where she has a son who is a railway dispatcher.

By Your Leaves, Gentlemen

— there is a great difference in cigarette tobaccos. And you'll note the difference when you "roll your own" with Ogden's Fine Cut.

Choice and mellow are the leaves chosen for Ogden's. That's why it's such a popular cigarette tobacco — why it smokes a lot better and gives so much more satisfaction — particularly if you're careful to choose the best papers — "Chantecler" or "Vogue".
