### Local Baseball League Will Swing Into Action Tomorrow Evening, Legion Playing Sons

With Bill Lambie's Sons of Canada and Jack Campbell's Canadian Legion teams clashing in the opener, the Senior, Baseball League will swing into action for the 1935 season school Bowling League on Saturat Acropolis Hill grounds tomorrow evening. Possibly, the community METLAKATLA may again see baseball here such as it used to be dished out in the olden days which many pioneer fans still fondly remember.

In organizing baseball this year, the executive of the Prince Rupert Defeated Kitkatla in Softball Series Baseball Association has invaded the ranks of junior talent and has the days when such pioneers as score was 25-13 for the Cougars. Many of the players will be making their first appearance in senior company. It was realized that the juniors had to be brought into action before the Senior League could be permanently put on its feet again. The fact that many of the players are new should have the tendency of making the interest of the baseball public even the sharper.

#### How They Will Line Up

Especial interest will be intrigued by the Canadian Legion team if for no other reason than the two facts that it is the first time the Legion has sponsored a baseball club here and it will be Jack Campbell's debut as a baseball pilot although he has for years been an active leader in football and basketball.

Canadian Legion has "Scoop" Bury doing catching duties this year. Formerly an outfielder, he has been used in previous years as a relief catcher and he should instill a lot of pep into the team from his position behind the plate. Eddie Smith will be on the mound! with Doug Stalker at first, Pierce at second, Stan Morin at short and Antonelli covering the hot corner. Herbie Morgan, Jack Campbell and Ray Commons will be in the outfield.

Bill Lambie has not as yet decided definitely where his players will be placed but it is pretty certain that "Sonny" Stiles will be pitching with Dido Gurvich on the receiving end. W. Cross will probably be at first, Bob Tobey at second, Walter Johnson at short and Lambie at third. George Hill. Yager and Jack Lindsay will be likely starters in the outfield.

# Ah! Beautiful Spring!

When the barbaric sounds of the zoo assume a softer cadence and the penned denizens (release at last from their winter quarters) start to stretch, strut, sniff and paw each other, in a gentler manner, then you'll know that spring is here. Below is shown a touching "necking" scene as Mr. and Mrs. Gfraffe show their affection. At top are two elephants-completely love-struck. One pachyderm is veritably so "dizzy" from love that he can hardly stand straight. Trunks are entwined, and a soft cleph gleam glows softly in their eyes. Ah, springtime!
