CHURCHILL IS OPENED

Canada's Northern Sea Port Opens To Navigation

CHURCHILL, Man. Aug. 12: (CP)—Trade winds blow down Hudson Strait again. Machinery hums in the big power house along the huge 1,800-foot wharf as Churchill starts its fifth season as a modern ocean port.

The north's newest harbor presents a scene of activity as dredges apply the finishing touches to waterfront spring cleaning. Inside the big elevator, conveyor belts are adjusted to release 2,500,000 bushels of wheat stored for outgoing cargoes following the opening of navigation on Saturday. Work of reconditioning the harbor is complete. Loose rock deposited in front of the dock has been removed and spring diggings loaded into hopper bottoms and towed out into the bay.

Active Season Ahead
Port facilities of the three-century old trade route will be put to the test this year. In addition to outgoing shipments of wheat, cattle, lumber and flour, it is planned to distribute a greater amount of incoming merchandise. Officials state all vessels chartered are offering for westbound freight.

Down at the docks workmen are busily engaged rushing to completion a 180-foot extension to the 300-foot long warehouse. When completed the wharf will have facilities for coal storage, cattle, lumber and freight shed accommodation to take off the increased volume of traffic.

During the 1934 navigation season, a total of 4,040,877 bushels of wheat was shipped overseas in fifteen vessels. Other commodities, including flour, lumber and cattle represented the largest quantity of cargo. Europe-bound, through Hudson Strait, since test shipments were made in 1931.

Clearing of Trollers For Deep Sea—Many Tourists Here This Morning—Prince Rupert on Final Trip

In response to representations made recently to the department by C. H. Orme, the following wire was received from D. Sim, commissioner of excise at Ottawa, in respect to deep sea clearance privileges for trolling boats: "If vessel clears direct deep sea fisheries, collector advised exemption allowable. Vessels engaged in estuarial fishing not permitted exemption." The exemption refers to fuel tax which is not imposed upon vessels clearing for deep sea.

Capt. O. P. Smith was in port from the trolling grounds on Saturday with his trolling boat, being here for supplies.

With a total of 164 passengers on board, C. N. R. steamer Prince George, Capt. Edward Mabbs, arrived in port at 8:30 this morning from Skagway and other northern points and sailed at 3 o'clock this afternoon for Ocean Falls, Powell River and Vancouver. Gray, arrived in port at 9 o'clock this morning from Vancouver and sailed a couple of hours later for Skagway and other northern points whence she will return here Saturday afternoon southbound. Included among the round trippers were four pulp and paper magnates from Japan who are making the round trip north after a visit at Powell River. The vessel had no passengers for here, five embarking aboard her from this port for the north.

Robert Gordon, Frank Dibb, J. S. Nelson and Alex Macdonald returned home aboard Mr. Gordon's power boat last night after a cruise of a few days which included a visit to the Frizzell hot springs near Port Essington and a trip up the Estall River to Falls River where some good angling was enjoyed.

Prize Lists For Carnival Here

Flower Show, Pageant Of Nations, Children's Masquerade, Baseball Series

At a meeting of the Junior Chamber Carnival Committee on Saturday a budget of expenditures amounting to \$1,200 was approved. Prize lists are a considerable item in the expenditures. It has been decided to award \$75 in prizes at the Flower Show, arrangements for which are in the hands of the Horticultural Society, which will be held the first night.

Over one hundred dollars have been appropriated for the best acts in the Pageant of the Nations. On Friday night, before the Grand Ball, a children's masquerade and dance is being organized by Mrs. G. W. Laidler and Mrs. T. N. LePage, for which \$50 in prizes has been allotted for the best costumes.

Arrangements have been made to have a baseball team come here from Ocean Falls to play here on the three days of the Carnival. This is the first time in many years that Ocean Falls has played here, but in local baseball circles they are considered to have a team which will be able to put up a first class game against Prince Rupert.

TWO FILMS ON SCREEN

"The Casino Murder Case" and "The Lemon Drop Kid" At Capitol

"The Casino Murder Case," a thrilling mystery story, and "The Lemon Drop Kid," a fast-moving drama, come to the Capitol Theatre here on a good first of the week double bill.

The field of science provides a new basis for a murder plot in "The Casino Murder Case" which brings to the screen a new Philo Vance in the person of Paul Lukas who is assisted in solving the "perfect crime" of a diabolical poison plot by Rosalind Russell, who makes her debut as a leading lady on the screen. The plot centres around an eccentric family of which Alison Skipworth, Isabel Jewell, Donald Cook, Arthur Byron, Leslie Fenton and Louise Fazenda are all either members or connected with.

Comedy and drama are blended expertly in "The Lemon Drop Kid" which moves along at a fast pace culminating in an unusual climax. Lee Tracy has the title role as a fast-talking, self-assured man who
