Lady MacBrien

*Lovely Ottawa hostess and well-known Canadian horsewoman, wife of one of Canada's most distinguished soldiers.*

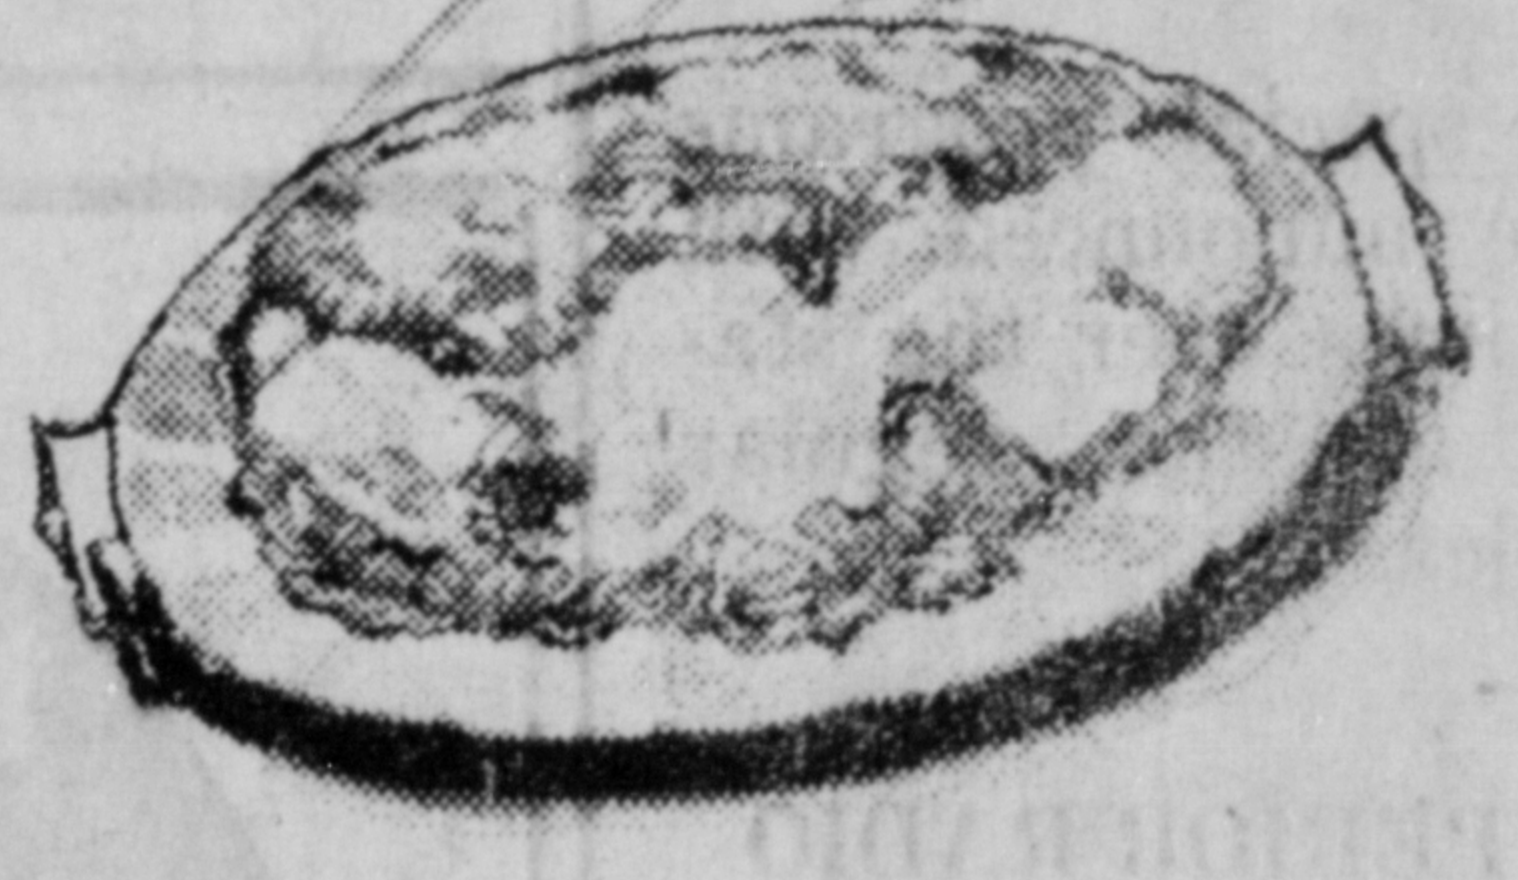

## "One of the Favourite Supper Dishes in the home of Lady MacBrien is Macaroni with Cheese and White Sauce"

... AND HERE'S HOW I MAKE IT "

*says Mrs. Shuker, cook at the residence of Lady MacBrien, wife of Major General Sir James H. MacBrien, K.C.B., C.M.G., D.S.O., Commissioner of the Royal Canadian Mounted Police and former Chief of General Staff, Canadian Militia.*

### \*MACARONI WITH CHEESE AND WHITE SAUCE

- 1/2 lb. macaroni
- 2 tablespoons butter
- 2 tablespoons flour
- 1/2 lb. cheese or less, according to personal preference
- 1 cup water
- 1 cup Nestlé's Evaporated Milk. Serves seven or eight persons.

Break the macaroni into small pieces, and cook until tender in rapidly boiling salted water. Make a white sauce by melting the butter, adding to it the flour, and when well blended add the Nestlé's Evaporated Milk and water. Cook until thick, stirring meanwhile. (Pepper may also be used if one prefers a more highly seasoned dish.)

Grate cheese or shave it thin, add it to the sauce. When the cheese is melted, pour the sauce over the macaroni, mix well and put in a baking dish. Sprinkle with grated cheese and brown in the oven.

MRS. SHUKER, like other cooks in Canada's finest homes, has found that Nestlé's Evaporated Milk adds that extra bit of flavour—that extra smoothness to her recipes. Here's what she says: "All the members of the MacBrien family like macaroni with cheese and white sauce, but I've found it's best when made with Nestlé's Evaporated Milk. In fact only when I use Nestlé's do I get the delicious, creamy flavour that makes this dish so popular."

Discriminating housewives throughout Canada use Nestlé's Evaporated Milk—it simplifies their cooking and adds to its goodness. Nestlé's is simply pure cow's milk with more than half the water removed. *Nothing is added.* It's twice as rich as ordinary fluid milk. And it's irradiated for Sunshine Vitamin D.

You'll be surprised at the low cost of Nestlé's. Order a few tins from your grocer today.

### WAKE UP YOUR LIVER BILE

Without Calomel—And You'll Jump Out of Bed in the Morning Rarin' to Go

The liver should pour out two pounds of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels, gas bloats up your stomach, you get constipated, your whole system is poisoned and you feel sour, sunk and the world looks punk.

Laxatives are only makeshifts. A mere bowel movement doesn't get at the cause. It takes those good, old Carter's Little Liver Pills to get these two pounds of bile flowing freely and make you feel "up and up". Harmless, gentle, yet amazing in making bile flow freely. Ask for Carter's Little Liver Pills by name. Stubbornly refuse anything else. 25c.
