MRS. WIGGS ON SCREEN

Classic Story Being Picturized At
Capitol Theatre Here This
Week-End

With Pauline Lord, one of America's foremost stage actresses in the title role, and W. C. Fields and Zasu Pitts in the other principal featured parts, a delightful picturization of the immortal "Mrs. Wiggs of the Cabbage Patch" comes to the screen of the Capitol Theatre here this week-end. The story is too well known to necessitate recapitulation here.

Miss Lord is said to play the quaint, motherly and whimsical character of Mrs. Wiggs with great charm and deftness. W. C. Fields and Zasu Pitts, well known screen figures, as the maiden lady and the mail-order answer to her prayer for a husband provide the film with uproarious comedy. Five of Hollywood's juvenile stars are cast in the roles of Mrs. Wiggs' numerous progeny. Evelyn Venable, as Miss Lucy, and Kent Taylor, as "Mister Bob," contribute youthful charm and romance to the picture.

Production settings, particularly views of "The Cabbage Patch," are said to be amazingly faithful reproductions of the western United States shanty settlements.

C. N. R. steamer Prince Charles moved down from the dry dock to the Canadian National wharves yesterday and, under command of Capt. Neil McLean, will sail tonight on regular schedule for Vancouver via the Queen Charlotte Islands, taking over the run of the Prince John which is being tied up here for overhaul. The Prince Charles will probably remain on the run from now until next fall.

C. P. R. steamer Princess Adelaide, Capt. James Flood, arrived in port at 2 o'clock this afternoon from the south and will sail at 10 p.m. on her return to Vancouver and waypoints.

The British steamer Frumention is due in port on Sunday from the Orient to load a full cargo of grain from the Alberta Wheat Pool's local elevator for delivery to the United Kingdom or Continent. More definite word as to the exact time of arrival is looked for any time now. New grain continues to move from the prairies to the local house but not in as large quantities as a few weeks ago. Fourteen cars of grain came in last night.

There were thirty-three passengers aboard the steamer Princess Norah which was in port yesterday afternoon southbound from Skagway to Vancouver. One person disembarked from the vessel here while three went south from this port aboard her.
