NORTHERN HIGHWAY MATTERS DISCUSSED IN LEGISLATURE

Convicted Baby Killer Declares He Depends On Public For His Appeal

Will be Taken to Death House at Trenton Prison Tomorrow—Attorneys Plan to Take Case to Higher Courts Next Week

FLEMINGTON, N.J., Feb. 15: (CP)—Following his conviction and sentence to death on Wednesday night for the kidnap-murder of the Lindbergh baby, Bruno Richard Hauptmann will be taken to the death house at Trenton State Prison tomorrow. Today he declared: "I haven't a dollar and must depend on the public for financing the appeal." His attorneys plan to launch the appeal next week.

Here Next Week

A. E. WARREN

Vice-president in charge of western lines, Canadian National Railways.

THREE-WAY PUCK DRAW

Boston, Chicago and Rangers Deadlocked For Supremacy In American Division

NEW YORK, Feb. 15: (CP)—With the Chicago Black Hawks defeating the Red Wings at Detroit while the Boston Bruins were idle, the New York Rangers blanked the Toronto Maple Leafs here last night and, as a result, moved into a three-way tie with the Bruins and the Black Hawks for supremacy in the American Division of the National Hockey League.

The Canadiens won over the Maroons at Montreal and, as a result, displaced the New York Americans from third place in the International Division.

Last night's fixtures all resulted in shut-outs, scores being as follows:

Montreal 0, Canadiens 2.
Toronto 0, New York Rangers 3.
Chicago 3, Detroit 0.

Provincial Constable G. C. Sharpe of Queen Charlotte City will return to the Islands on the Prince Charles tonight following a trip to the city on escort duty. He brought in Robert Ritchie of Queen Charlotte City who has been sentenced to four months' imprisonment for pilfering from goods at the Queen Charlotte wharf belonging to Robert Sharpe, Skidegate merchant.

VIENNA WAS HIS SUBJECT

Dr. C. H. Hankinson Gives Interesting Address to Rotary Club on Visit to European City

An interesting address was given by Dr. C. H. Hankinson at the luncheon of the Prince Rupert Rotary Club yesterday at the Commodore Cafe based on his visit last year to Vienna. He illustrated the address by showing a number of works of art and handicrafts which he brought home with him. The handicrafts he explained formed a large part of the education of the Viennese who were so far instructed in the work at school that they were able to make a living from them later.

The beauties of the old city were graphically described. The speaker told of a visit to the ceramic school where a number of articles were made especially for him at a modest price. He described the first impression of the city as a result of the artistic and commodious railway stations. A feeling of peace pervaded the city, a feeling of good-fellowship which was very striking.

Historically the city was intensely interesting. The old walled city was only a small part of the present Vienna. The wall was built to defend the place against the Saracens and Turks. Modern architects had blended the old with the new in such a manner as to make it all very beautiful. It was a city of beautiful parks and boulevards as well as of wonderful buildings, with a touch of the Orient in its makeup. He mentioned, among the important structures, the Parliament Buildings, the university, Royal Theatre, Votive Church, art galleries, museums and libraries.

The Viennese, Dr. Hankinson explained, lived very largely out of doors and did not have the same home life as Canadians. Most of them slept in apartments. He described the apartment in which he resided while there, ornate and artistic but void of most modern conveniences. The buildings of the city were important but the city was great, not because of its buildings but because of its great musicians, great composers, great artists and other great people who had made a great impression on the populace.

Acting President C. V. Evitt, who was in the chair in the absence of President J. J. Little, thanked the speaker at the close and the members then gathered around and examined the exhibits which the doctor had brought along.

Visitors at the club included W. Kilpatrick, W. E. Collison of this city and Frank Lancaster of Vancouver.

Interior Man Is Arrested; Charged With Cabin Theft

Following his arrest by Provincial Constable Richard McKinlay of McBride, Roy Walter Smith has been remanded for eight days on a charge of theft. It is alleged that Smith took effects from the cabin of Fred Sherburne on Goat River while the latter was in Prince George for medical treatment. After the alleged theft, according to a report received at divisional headquarters of the provincial police here, Sherburne's cabin was burned down.

Juvenile Stole Rum; Gets Year's Suspended Term

Divisional headquarters of the provincial police here have been advised of a fifteen-year old boy of Port St. James being given a year's suspended sentence by Stipendiary Magistrate G. H. Milburn in juvenile court at Prince George on a charge of theft of two bottles of rum from a truck near his home. The boy will be required to make restitution of \$8.75.

BUCKAROOS ARE AHEAD

Play Draw With Edmonton to Take Leadership Over Vancouver In Second Place Contest

PORTLAND, Feb. 15: (CP)—Portland Buckaroos and Edmonton Eskimos played a three-all overtime draw in the Northwest Hockey League last night as a result of which the Bucks now have a one-point lead over the Vancouver Lions in the standing.

TEACHING FARMERS

Agriculture to be Taught to English Children on Vancouver Island

MONTREAL, Feb. 15: (CP)—Forty English children, aged from seven to nine, will come to Canada in May to form the nucleus of the Fairbridge Farm School on Vancouver Island. Major M. F. Trew stated here.

The school, sponsored by the Child Immigration Society of Great Britain, is intended to train English boys and girls to enter farm life in Canada.

The society has bought 1000 acres of land and buildings of the old Pemberton farm near Duncan. Trew will be the headmaster.

When the school is in full operation, four hundred boys and girls will be in residence.

Vancouver Wheat

VANCOUVER, Feb. 15: (CP)—Wheat was quoted at 79½¢ on the local exchange yesterday, down ¼¢ from Wednesday. Today's price was 79½¢.

Roads to Prince Rupert And Bella Coola Urged By Peace River Member

Advocates Exchange of Alaska Panhandle South of Juneau For Permission to United States to Build Artery Through British Columbia

VICTORIA, Feb. 15: (CP)—Suggestion that any agreement with the United States for a highway through British Columbia to Alaska should involve negotiations looking to the ceding of a part of the Alaskan Panhandle to Canada was made in the Legislature yesterday by Clive Planta, Independent member for Peace River.

Should the territory be ceded, said Mr. Planta, it would provide British Columbia with seaports for the vast northern hinterland, development of which was being retarded by lack of sea coast facilities.

"United States wants the highway to Alaska and, if we, by their numerical strength, are pushed into building it, let us do so with the full knowledge that we are making a formal alliance and let us announce to friendly nations across the Pacific that we have made such a treaty."

Mr. Planta would have the United States cede to Canada that part of the Alaska Panhandle from Juneau south leaving that city part of the Republic.

Roads to the interior of the province from Bella Coola and Prince Rupert should, however, be first constructed, declared Mr. Planta. These would be invaluable in time of war as well as opening up a vast mineral area and providing a scenic attraction through the most beautiful part of British Columbia.

Whaler whales are reported to have made their appearance in the harbor last night. It is not unusual for whales to come in at this time of year, particularly when it is stormy outside and there are herding and salmon in the bay.

MARKETING OF HALIBUT

Ketchikan Vessel Owners' Association Meet Thursday to Consider Situation

KETCHIKAN, Feb. 15:—The Ketchikan Halibut Vessel Owners' Association met here yesterday afternoon to consider the price situation for the coming season and discuss the possibilities of securing aid for the direct marketing of fish in the event of failure of minimum price negotiations. The fishermen are seriously considering marketing their own fish but no definite decision will be made until next week following a meeting on Tuesday in Seattle between vessel owners and fishermen with the fish buyers on the matter of prices.

Capt. George Fritz sailed last night on the Prince George for Seattle to represent Prince Rupert boat owners and fishermen at the conference with the buyers.

Mrs. E. Henigan sailed last night on the Prince George for Vancouver. It is possible she may not return to Prince Rupert.

Final Day of Western Canada Ski Meet at Smithers; Dahlie Is Now Favorite to Win Title

SMITHERS, Feb. 15:—This is the final day of the Western Canada Ski Championship tournament here which has been a great success. Many important skiing events have been run off and there have been other sports such as ice hockey and a curling bonspiel. Tonight the proceedings will come to a close when results will be announced of the queen of the Carnival Contest in which two Prince girls have been candidates.

The men's eighteen kilometre cross-country race was held yesterday afternoon, the winners being as follows:

First, Chris Elvenes, Smithers, one hour, five minutes, one and one-fifth seconds.

Second, Isaac Kuorsela, Burns Lake, one hour, five minutes, 37 2-5 seconds.

Third, Chris Dahlie, Smithers, one hour, five minutes, 45 1-5 seconds.

Fourth, Kaares Engsted, Burns Lake, one hour, five minutes, 47 seconds.

Fifth, Knut Nysven, Smithers, one hour, six minutes, 45 2-5 seconds.

Sixth, Johnny Holst, Smithers, one hour, six minutes, 47 seconds.

Seventh, Tom Moberaten, Vancouver, one hour, nine minutes, 22 seconds.

Eighth, Henry Solvødt, Vancouver, one hour, 13 minutes, 21 seconds.

Ninth, Alfred Johansen, Vancouver, one hour, 13 minutes, 44 seconds.

Tenth, Pete Sandnes, Wells, one hour, 21 minutes, 27 seconds.

A remarkable feature of the finish was the small difference in time between the first six to finish. Points won in this race combined with points made in the jumping for the championship points made Chris Dahlie, the local entry, a favorite to win the championship.

Started Wednesday
The tournament, being held here under the auspices of the Smithers Ski Club, got away to a good start Wednesday, being favored with the best of weather.

The official judges for the various events are C. Syvertson of Anyox, Stinar Berg, Prince Rupert and John Berg, Burns Lake.

Ski racers and jumpers are here from all points in the province and the competition is keen as the winners are eligible for the Olympic Games.

Two or three inches of fresh snow would have improved skiing conditions, especially for the cross country racing, but a course has been laid out along the foot of the mountain where there is still plenty of snow.

The big jump on the side of the Hudson's Bay Mountain is in first class condition but only through the efforts of voluntary labor on the part of members of the local ski club wielding snow shovels and hauling snow by team. The present record for this hill is 202 feet but this is expected to be exceeded by at least 40 or 50 feet in the jumping today.

The opening event was the 30 kilometre cross country race for men with Smithers entries taking first and second places. The result was:

First, Chris Elvenes, Smithers, two hours, nine minutes.

Second, Johnny Holst, Smithers, two hours, nine minutes, 14 seconds.

Third, Kaares Engsted, Burns Lake, two hours, 10 minutes, nine seconds.

Fourth, I. Kuorsela, Burns Lake, two hours, 24 minutes, 23 seconds.

Mike Lemon sails tonight on the Princess Adelaide for Vancouver enroute to Rochester, Minn., where he will receive treatment at Mayo Clinic.

GOOD YEAR FOR CROPS

Predicted by A. E. Warren, C. N. R. Vice-President, Who Is On Coast

VANCOUVER, Feb. 15:—Good news on the prairies, coupled with cold weather that has driven the frost well down in the ground, should make for a more hopeful crop situation this year, according to A. E. Warren, vice-president of western lines, Canadian National Railways, who arrived in the city yesterday in the course of an inspection trip. "Present indications are for a material improvement in conditions generally," said Mr. Warren, "and British Columbia should experience a splendid tourist season this summer. Bargain fare excursions will be continued by the railways and will undoubtedly result in bringing many visitors to this scenic province."

Mr. Warren, who is accompanied by Mrs. Warren, will inspect all the company's properties in the province. He goes north on the Prince George Monday night to Prince Rupert, Stewart and Anyox and, on his return, will visit the Canadian National lines in the Okanagan.

Just returned from a trip to the West Indies and British Guiana, Mr. Warren expressed the opinion that, while southern climates make for a delightful winter holiday, nothing could equal the exhilarating atmosphere on the Pacific Coast.

Interior Farmer Drew Relief And Compensation Too

Henry Harrison Shaffer, a Tsimik Lake farmer, who arrived there a few years ago from the United States, is serving a term of two months' imprisonment at Smithers for obtaining \$128.05 in relief under false pretences. Sentence was passed upon Shaffer by Stipendiary Magistrate T. E. Taylor of Burns Lake. According to the report on the case received at divisional headquarters of the provincial police here, Shaffer continued to draw relief while a patient in hospital receiving benefits under the Workmen's Compensation Act.

Mike Lemon sails tonight on the Princess Adelaide for Vancouver enroute to Rochester, Minn., where he will receive treatment at Mayo Clinic.
