Here's Swift and

Relieve That Cold

Modern External Treatment
Helps End Colds Without
Constant "Dosing" to Upset
Digestion.

JUST RUB ON AT BEDTIME

Two generations of
mothers have proved
Vicks VapoRub the
most effective treat-
ment for children's
colds. VapoRub is ex-
ternal—and safe. Its
use avoids the risks of constant
internal "dosing" which so often
upset digestion and appetite, thus
lowering body resistance when most
needed.

Just rubbed on throat and chest
at bedtime, VapoRub starts to work
immediately—two ways at once:

1. By stimulation through the skin,
like a poultice or plaster—
2. By inhalation of its penetrating
medicated vapors, released by
body heat and breathed in direct
to inflamed air-passages.

Continuing through the night,
this powerful poultice-vapor action
loosens phlegm—soothes irritated
membranes—eases difficult breath-
ing—helps break congestion.

cavass, he appealed for a greater
measure of congregational support
in the way of regular giving.

Church Progress

In his report as moderator, Mr.
Hollingworth stated that he was
now entering upon the sixth year of
ministry here. He was gratified to
report that, during the past year,
more men had been actively work-
ing for the church. The pastor
dealt with the relation of the
church to the community in the
way of social service. Interest had
been taken in the needy and the
congregation had been generous
when appealed to. During the past

been given out. Mr. Hollingworth
also spoke of the institution of a
regular radio broadcast. The pas-

VISITING the Royal City Kitchens in New Westminster, we see
thousands and thousands of Royal City soup cans which, like music,
start here, and go round and round, and come out there—ready for the Royal
City label that homekeepers in the West have come to accept with utmost
confidence. Hot soup means a tremendous lot to school children, workers,
office people and to mother at home during this trying mid-winter weather. It
is said that Royal City Vegetable Soup contains 17 vegetables in abundance.
