### SCENE DEPICTING JEW-ARAB RIOTS

Incendiarism has added its horror to the tragic rioting between Jews and Arabs at the adjoining cities of Jaffa and Tel Aviv, Jerusalem. Flames, visible miles from the city, were reported roaring through the Neue Shalom, Je wish and Arab quarter of Jaffa, the result of fires set by rioters. The above photo shows a scene from the last serious rioting in 1933, when 22 were killed.
