From Your Doctor if the "Pain" Remedy You Take Is Safe.

Don't Entrust Your Own or Your Family's Well - Being to Unknown Preparations

BEFORE you take any preparation you don't know all about, for the relief of headaches; or the pains of rheumatism, neuritis or neuralgia, ask your doctor what he thinks about it - in comparison with "Aspirin."

We say this because, before the discovery of "Aspirin," most socalled "pain" remedies were advised against by physicians as being bad for the stomach; or, often, for the heart. And the discovery of "Aspirin" largely changed medical

Countless thousands of people who have taken "Aspirin" year in and out without ill effect, have proved that the medical findings about its safety were correct.

Remember this: "Aspirin" is rated among the fastest methods yet discovered for the relief of headaches and all common pains . . . and safe for the average person to take regularly.

"Aspirin" Tablets are made in Canada. "Aspirin" is the registered trade-mark of the Bayer Company, Limited. Look for the name Bayer in the form of a cross on every tablet.

THE MINERAL INDUSTRY OF BRITISH COLUMBIA

The value of mine production for the year 1935 is estimated at \$47,810,612,00; being a substantial increase over that for the year 1934. Gold and Silver account for nearly 84% of the increased value of the mining industry.

NOTE:-

Re: "MINES DEVELOPMENT ACT"

Attention is directed to the fact that applications for assistance in construction or reconstruction of trails to mining properties, pursuant to the above Act, must be made on printed forms provided for the purpose. These forms may be obtained from the Department of Mines, Victoria, B.C., or from a Resident Mining Engineer, or Mining Recorder, and must be in the hands of the Resident Engineer for the Mineral Survey District in which the property is situated, on or before the 1st of May.
