#### Your Own Private Safe

Your will, securities, deeds, insurance policies, and similar valuable papers, should never be kept at your home or office, where they are subjected to the risk of loss through fire, theft or carelessness. These documents, together with articles of sentimental value, old letters, birth and marriage certificates, should always be kept in your own private Safe Deposit Box. You can rent a Safe Deposit Box at most branches of this bank for as little as 1¢ per day; larger boxes cost slightly more.
