OLD TIMERS PASSING

With the passing of George Arnold another of Prince Rupert's old timers has gone ahead to give an account of his stewardship. He had been in Prince Rupert a long time and was looked upon as one of the steady-going, safe citizens who would not be likely to make a mistake. He was a man of strong opinions and he always had courage to urge them on others. For years he had fought the high assessment system, which he claimed was bad for the city and he was ready to put up money to have his ideas put into practice. He will be missed by a good many people.

WHY NOT PAINT NOW?

Spring comes late in Prince Rupert and summer dallies on the way. It is during such a time that outside painting can be done to best advantage. The sunshine of the past few days has brought to attention forcibly the shabbiness of the buildings and the need of redecorating. The result is that many people are having work done which they had hoped to put off until next year. The neighbor's house looks spic and span and makes yours look shabby. This is the time for action.

PRESIDENTIAL CAMPAIGN

It is a foregone conclusion that Roosevelt will represent his party at the fall election in the United States and will probably be re-elected. Alfred Landon will be very likely to secure the Republican nomination unless a compromise candidate should be chosen at the last moment and that seems hardly likely.

The election fight promises to be strenuous. Efforts have already been made to discredit the president but the mass of the people evidently have not yet been stampeded. No one can tell what will happen but the odds so far are on the return of Roosevelt.

SWIM CLUB ORGANIZES

To Function Again With View To Improving Salt Lake—Orme Stewart is President

At an enthusiastic meeting Wednesday night with about forty persons in attendance, the Prince Rupert Swimming Club was reorganized with the immediate object of instituting a campaign to improve the bathing facilities at the Salt Lake.

Officers were elected as follows:
Honorary President, Hon. T. D. Pattullo.
Honorary Vice-President, Olof Hanson M.P.
President, Orme Stewart.
Secretary-Treasurer, Mrs. Sid Elkins.

Directors—Robert Armstrong, Richard Long, Earl Eby, J. E. Bodie and Miss Helen McLeod.

The executive visited the Salt Lake last night and will hold a meeting tonight to definitely decide the amount of renovation work required. Present plans are to erect a new women's dressing room and, if possible, put in two new springboards and diving tower.

Membership tickets and bathing suit badges will probably be sold.

LEGION IN LEAD NOW

Scores 2 to 1 Victory Over Dominion Dairy in Hard Fought Football Game

Turning in a brand of soccer which may be described of good quality for so early in the season, Canadian Legion defeated Dominion Dairy by a score of two to one last night in a hard fought Stuart Benefit Shield fixture. A good sized crowd of fans was in attendance and was appreciative of the efforts put forth by the players.

Johnny O'Neill was responsible for both the Legion counters in the first half. Jack Ritchie was scorer for the Dairy in the second. Sonny Stiles acted as goalkeeper for the Legion in the absence of Ted Smith and gave a good account of himself.

Jock McGreish was referee and Jock Bremner and John Bunn acted as linesmen.

As a result of the victory, the Canadian Legion moved into the lead in the Stuart Shield standing which, to date, is as follows:

W. D. L. F. A. P.	2	0	1	6	4
R. C. N. V. R.	1	0	1	5	4
Dominion Dairy	1	0	2	4	5

FARMERS ARE CHEERED BY MAY RAINFALL

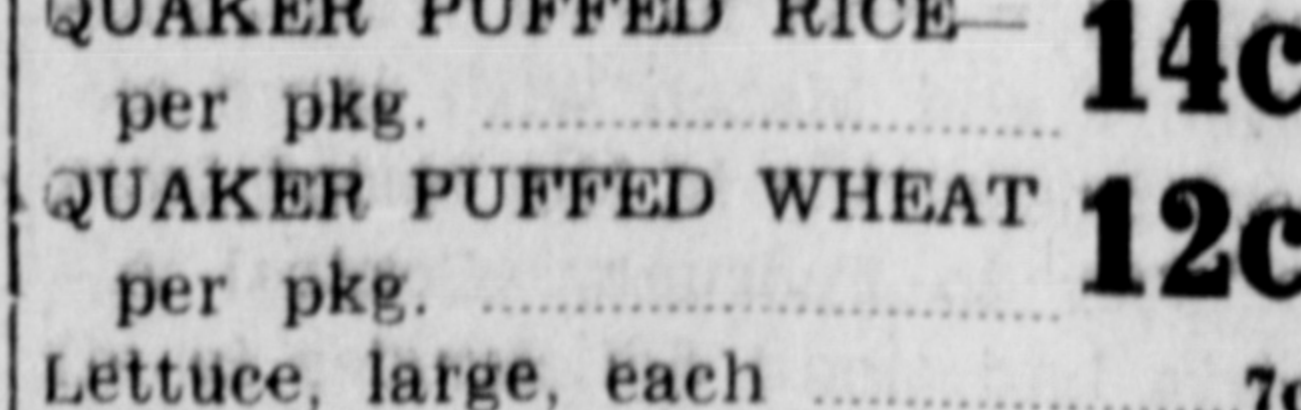

(Continued from Page 1)

March was normal. April was decidedly low. Southeastern districts were more favored, with good records in August, November, January and February and nearly twice the normal amount in March.

August and March rains were responsible for Manitoba's normal average. Losses were registered in September, October, December and April in the west. In the east, October, November, December and April were below normal, the last month being particularly poor.
