"The wish to stay grows stronger "The more 'tis time to go."

How loth the party is to depart from around the fireplace these winter nights. What a comfort there is in the glowing embers and how we all hate to leave it. It's nothing new, of course. Thomas Moore wrote these lines last century and possibly in the Stone Age, the Cave Man felt the same way. And when it comes to making your fire, you want the best coal. For the last twenty years Albert & McCaffery's coal has been the best available. It is the best today and if better could be got, they would have it. It gives you the most heat for the least money and that's what you want these days. So the next time you need coal,
