Get Out of Bloody Spain

### onsul's Wife Slain

egian Diplomat Bereaved as Result of Outbreak in San Sebastian

WASHINGTON, D.C., July 27:e for 160 Americans endaninto a bloody battle ground trans-Atlantic telephone that ail avenues of egress from Madrid apparently are closed to Americans. Officials here still hoped that some means might be found to evacuate the Americans from the capital city as they have been taken off most of the sea coast

Wendelin indicated that it was mpossible or impractical for Americans to attempt to motor to the; ea coast. Many drivers of autonobiles in Madrid have had their commandeered by the govent and military authorities most of the roads leading capital are either covopposition military forbeen rendered imbarricades thrown up or government troops.

Consul's Wife Killed PARIS, July 27: (CP)-Slaying of the Norwegian consul's wife and her nurse by government militiamen in San Sebastian during! an attempt to put down Fascist insurgents was revealed by refusees reaching France today from war-torn Spain.

finding It Very Difficult To Hon. J. E. Michaud Here In Course of Coast Tour-Interviews Today

First member of the new Mackenzie King government to visit Prince Rupert, Hon. J. E. Michaud, minister of fisheries, arrived here this morning on board the hydrographic survey steamer William J. Stewart in the course of a tour of the coast to acquaint himself at first hand with the British Columbia gered in the Embassy at Madrid fisheries. This morning Mr. Micivil war, which has turned chaud was at the Prince Rupert Fisheries Experimental Station C. Wendelin, third secretary receiving delegations representn charge of the Embassy, informed ing the Deep Sea Fishermen's Secretary of State Cordell Hull by Union, the Fisheries Co-operative Association, the Skeena River Fishermen's Association and other fisheries interests. While here he is also visiting local fisheries plants. Tonight a complimentary dinner will be tendered him under private auspices at which there will be present representatives of the various branches of the fisheries.

> Mr. Michaud's party includes his wife and three daughters; W. A. Found, deputy minister of fisheries; Thomas Reid, M. P. for New Westminster; Major J. A. Motherwell, chief supervisor of fisheries for the coast. H. D. Parizeau, Dominion hydrographer, is also aboard the William J. Stewart of which Capt. Moore is master. The vessel arrived at 7 o'clock this morning, having made its last call at Butedale before arriving here. James Boyd, supervisor of fisheries, met the party at Smith's Inlet. Departure will be made tonight for the Naas River.
