Fire Chief J. R. Morrison, in his Stockport. monthly report to the hospital board, informed the board last night that it had been found that, in wet weather, a slime formed on the fire escapes which made them dangerous. It was suggested that this might be rectified by tarring and putting on sand. The matter was referred to the house committee with power to act.

The regular monthly business luncheon of the Prince Rupert Gyro Club was held in the Boston Cafe today when a number of matters concerning club affairs were up for consideration. Dr. R. G. Large, president, was in the chair and there was a good attendance of members.

The finance committee reported to the hospital board last night that there had been a total of 1409 hospital days during the month of September at a cost per hospital; day of \$2.50. No statement of disbursements and receipts was presented.
