EFENDERS WOULD HAVE BEEN SPARED BY MESSAGE OF INSURGENTS AND DESTRUCTION OF NORTH COAST CITY AVERTED—UNITED STATES SHIPS ORDERED TO LEAVE.

SAN SEBASTIAN, Sept. 11: (CP)—Insurgents renewed their advance on San Sebastian today as pillaging broke out inside the city. The new strife, marking the end of an unofficial 48-hour truce, was caused by the overnment's refusal to surrender when surrounded, dents are fleeing to France and banks are sending cash into English, means "Putting your Bremerton "Mass d securities to Balboa.

MADRID, Sept. 11:-Lines were being drawn, it was aptly what Rotary stands for today, reported here last night, for a grim struggle between according to Charles A. Mowry of Madrid and Toledo, which may be the turning point in the Spokane, governor of Rotary Dissix weeks' old Spanish civil war: Apparently in control of Rotary Club yesterday at its reguthe situation from the north, the insurrectionists are now oncentrating upon the area south of the capital city.

After an all-day truce for the pose of conducting negotiations, reported last night that an ement had been reached for surrender of San Sebastian on northern coast of Spain by the list defenders for the insurattackers. Under the agreewas stated, lives of governmilitiamen who have been ending the city would be spared! the loyalists would refrain destroying the city before cuating as they had threatened

LOG SHIP

Steamer Dunelmia Coming Latter Part of October to Load For Hong Kong

The British steamer Dunelmia will be coming to Prince Rupert the latter part of October to load 600,000 feet of cottonwood timber taken along the Skeena River between Kwinitsa and Salvus for Hong Kong.

Charterers of the vessel are the Ocean Shipping Co. whose manager, J. MacInnis of Vancouver, sailed by the Prince Rupert last night on his return south after a brief business visit here.

The shipper of the timber is Stanley Bishoprick jr.

> OTTAWA, Sept. 11: (CP)—The new board of directors authorities which had instituted of the Canadian National Railways was announced last inquiries that he had arrived at night by Premier William Lyon Mackenzie King. They are as follows: S. J. Hungerford, now president, to be The British Columbia police were chairman; James Y. Murdock, Toronto, president, Norasked to check up on the route ada Mines; Wilfrid Gagnon, Montreal manufacturer;

Herbert S. Symington, Montreal; Donald H. McDougall, Stellarton, N.S., mining engineer, and Robert

J. M. Moffatt, director of the Saskatchewan Wheat Pool. The seventh director will be named later by agreement between labor bodies associated with the Canadian National Railways who will make a recommendation to the government as to who shall represent them. The new board assumes its duties October 1.

The New Chairman

Mr. Hungerford brings to his new office experience gained during fifty years of service with both the major railway systems of Canada and an intimate knowledge of the transportation requirements of all sections of the Dominion., He has neid, in succession, important positions of responsibility in connecton with the operation, maintenance, construction and administration of the Canadian Railways. Railroading has been his life-work and, by reason of this fact, he knows and understands the duties and problems of all grades from apprentice to executive officer. His lengthy period of service has given him residence in seven of the nine provinces of the Dominion. He has lived and worked in the Maritime Funeral Service Provinces, in Quebec and Ontario, in each of the three prairie provinces and in British Columbia. Shipmates and Ex-Service .Men Likewise, he has served in the state of Vermont, where the National system now operates the Central SAN FRANCISCO, Sept. 11:-A Funeral service for the late Vermont Railway.
