With IRRADIATED Carnation MILK

INSTEAD of expensive cream for your coffee, L cereals, fruits, or for whipping—try Improved Carnation Milk. You'll be delighted with Carnation's smooth, creamy richness. And of course, you save over one-third on cream bills. Improved Carnation Milk is just pure, whole milk made doubly rich by evaporating part of the water naturally present in all milk, and sterilised for safety. Because it is homogenized, it is much smoother than cream—which is one reason Carnation gives such splendid results in cooking.

And every time you use the Improved Carnation Milk, you get an extra supply of vitamin D, the "sunshine" vitamin - for Carnation Milk is irradiated. It has been fed to the Dionne Quintuplets since 'way back in November, 1934.

Just Published! A beautiful new Carnation Cook Book. 16 glorious, full-page, full-colour photographs. 96 pages of unusual recipes, menus, party suggestions, cookery helps, etc. Yours for 10c, stamps or coin. Write to Carnation Co. Limited, 134 Abbott St., Vancouver, B. C.
