

The Good Old MUSTARD BATH

At the first sneeze, sniffle or chill, safeguard yourself with a mustard bath. It heats you up and sweats out the poisons.

It stops little colds growing into big robust coughs or colds. Mustard is not a medicine that you dose yourself with, but a good old-fashioned remedy that has been used effectively by generation after generation.

If more convenient, instead of a full length bath, soak the feet in a pail of hot water in which you have put a tablespoonful of Colman's Mustard . . . then to bed and cover up.

THESE FACTS ABOUT BRAN HAVE BEEN PROVED BY TESTS

Supplies Gently Acting "Bulk" to Aid Regular Habits

Now and then, in talking with your friends, the subject of bran has come up. So that real facts might replace unsupported opinions, the Kellogg Company has aided for some years research in leading nutrition laboratories.

Studies made on a group of healthy women showed that two tablespoonfuls of bran daily continued to relieve constipation* over a period of months. How different from cathartics-where dosage often must be increased.

Another series of tests on men indicated that, with some people, the "bulk" in bran was much more effective than that found in fruits and vegetables.

Further tests showed that Kellogg's ALL-BRAN provided vitamin B and iron as well as "bulk." This "bulk" absorbs moisture, and gently exercises and cleanses the system - the right way to correct constipation.

Serve ALL-BRAN regularly for regularity. Either as a cereal, with milk or cream, or in cooked dishes. It is a natural laxative food. Sold by all grocers. Made by Kellogg in London, Ontario.

*Constipation due to insufficient "bulk"
