> An interesting visitor to port thi week has been the fine new seineboat Jocelyn of New Metlakatla. Alaska, with her owner, Henry Benson, and party on board. The Jocelyn was built last winter and has just completed her first successful fishing season. Of unusually barge is at present moored at the fine construction and embodying all the most up-to-date features in vessels of her type, the Jocelyn is 55 feet long and is equipped with a Cooper-Bessemer full diesel engine She has been moored at the Cow

> Pilot Charles Elliott returned las evening about 7 o'clock from a flight to Vancouver with the Pacific Airways Junkers seaplane, Fulton, C. V. Evitt, A. Ivarson and bringing north two California big W. M. Blackstock. game hunters who are bound for the Iskut mining country north of Stewart. The plane left at 9 o'clock this morning in continuation of the trip to Stewart enroute to the Iskut. The passengers were R. E. Harenstrite and Carl H. Beal of Los Angeles.

Under general conditions which sults. would appear to be quite favorable to the hunters, the deer shooting season opens today in this district and will continue until December! 15. Arrival of snow on the mountain tops hereabouts this week should have the effect of bringing the deer down to the lower slopes. The clear, cool weather today will, no doubt, intrigue some early season hunting parties forth this week-end.
