Increase of Six to Eight Percent Over Last Year Estimated By Canadian Welfare Council

OTTAWA, Dec. 29: (CP)-Deadvances in employment and number of persons on n Canada is larger at the end of 1936, the Canadian Welfare uncil announced yesterday in its nnual survey. The Council has reached the conclusion that unemployment relief totals at the end of the year will show an in- credits for armaments. crease of six to eight percent in Canada over last year's total at TRIBUTE this time.

Further increases may be expected as dependency grows in the western drought lands.

The unemployment figure might even run to twelve percent above w. T. Moodie Honored on Leaving year if those aided now through works projects, farm placements and other schemes were included in the survey.

PEACE IS

Americas Working Against Conflict- President Roosevelt's Message

WASHINGTON, D.C., Dec. 29: Americas were, apparently, peace rather than towards war new position on the Pacific Coast terday. From Washington President Rooseelt, in a Yuletide message, rechoed the stirring sentiments of peace which were initiated at the recent Inter-American Peace Con. by W. M. Duff, chief clerk to the Wrs.
