LEACOCK AND RAILWAYS

In an article in the Financial Post last spring Stephen Leacock said: "For a 100-mile run by day I'd have a train as light as a basket, airy as a garden, and run at one cent a mile per passenger. That would kill the motor car. A passenger car is fifty times more comfortable. Five people at one cent bring more than one person at three cents."

SIR EDWARD BEATTY AND EMPLOYMENT

In the same paper Sir Edward Beatty gave his view that unemployment was the most important fundamental problem facing the nation. He said:

"Whether from the standpoint of economics or from that of ethics, it is wrong that men and women willing to work should find themselves reduced to the necessity of living on public or private charity. It is suicidal that this condition should extend, as it does at present, to the point that young men and women automatically find themselves receiving state or private aid to live after they have reached maturity, and before they have ever learned the pleasure of self-support."

RECOGNIZES THE WEST

R. C. Wallace, principal of Queen's University, gave the opinion that the interests of east and west should be coordinated. "High tariff policies in the manufacturing areas with the additional policy of exporting manufactured goods without limit to other countries will eventually make the position of Western Canada, which is a primary producer, quite impossible. It has to be realized outside of political issues that protection of Canadian industries must be maintained at the lowest possible figure for the sake of Western Canada which is unprotected in the sale of its products."

Freddie Steele Wins Fifteen Round Decision Over Babe Risko to Become Middleweight Champion of World

SEATTLE, July 13: (CP)—Freddie Steele of Tacoma captured the middleweight boxing championship of the world by pounding out a fifteen-round decision over Babe Risko of Syracuse, the champion, in the Seattle Civic Stadium Saturday night before a crowd estimated at close to 40,000 fans. Steele, who entered the ring a 10 to 7 favorite, was given the best of seven rounds while Risko took four and four were even. A close and well fought battle had been expected and it was just that which Nate Druxman's cash customers received.

Risko seemed to get off to a good start in the first round but a terrific right jab changed the whole complexion of things by sending the defending champion to the canvas for the count of six. He was able to get back on his feet but, dazed and staggering, it was only the bell ending the round which saved Risko. It was the only knock-down of the fight. The Babe came to but the next three rounds were Steele's. The Tacoma challenger continued with his right-handed attack and in the twelfth had Risko hanging on. Risko was doing better in the infighting, however, and it was that which gave him such rounds as he did win.

Jack McDougall of the Royal Hotel staff here was among those in attendance at the title bout in Seattle.

DIZZY DEAN IS INJURED

Famous Pitcher Goes Unconscious To Hospital But Cardinals Win Just the Same

ST. LOUIS, July 13: (CP)—"Dizzy" Dean was knocked unconscious when struck on the head in the sixth inning of Saturday's baseball game with the New York Giants here and was removed to hospital where it was found that his skull had not been fractured as was at first feared. The Cards went right ahead and won the game, increasing their margin of National League leadership to one game and a half over the Chicago Cubs who lost to the Brooklyn Dodgers at Chicago. The Cards' lead was cut to half a game yesterday, however, when they dropped a double-header to the Brooklyn Dodgers while the Cubs were breaking even with the New York Giants.

Dr. Robert J. Hyland, Cardinals physician, announced last night that Dean had suffered a slight concussion of the brain, as a result of being struck by the batted ball in Saturday's game with the New York Giants. X-ray plates however, were negative to fracture, Hyland said. As Hyland talked, "Dizzy" walked about St. John's Hospital.

Boston Braves won their fourth straight by beating the Pirates at Pittsburgh on Sunday.

TOWNSMEN WON GAME

Defeated H.M.C.S. Vancouver 6 to 2 at Football

While there were many changes from the team selected to represent Prince Rupert against H.M.C.S. Vancouver the townsmen won by six goals to two at football Saturday evening.

As a whole the game was patchy. There were spells of fast football with good combination and then there were spells of loose kicking, very uninteresting to the spectators and hardly more pleasing to the players. Christison was early on the mark and, altogether, collected three goals in the first half. The Navy got one when Pierce pushed out a corner kick to Whitehouse who volleyed the ball through at a great pace.

Albert Dickens got the fourth with a rather simple shot and Christison a fifth when Armstrong passed to him in front of the goal. Gomez hit the bar with a terrific drive but the ball rebounded into play. Armstrong got the sixth when Christison presented him with an open goal. Hutton got a second for the sailors when Murray missed Cochrane's centre.

Teams:
H.M.C.S. Vancouver — Langlois; Hibberd, Fraser; Booth, Watt; Sinclair; Cochrane, Whitehouse; Hutton, Cavalry, Walker.
Prince Rupert—Pierce; Murray, H. Dickens; Cramp, A. Dickens, Ronald; Gomez, Ferguson, Christison, Armstrong, McMeekin.

Referee—Chief Stoker Thomas.
For the Navy, Hibberd was a strong fast defender, Watt was a neat centre half who fed his forwards well with Sinclair good too. Whitehouse, Hutton and Cavalry showed good combination but were weak around goal.
Pierce was safe in goal but Murray was not up to form and Henry Dickens spoiled his own game and that of the rest of the team by playing all out of position. Ronalds was a successful hard worker and Cramp gave a good display. Albert Dickens wasted too many balls with high kicking. Christison and McMeekin were the pick of the forwards.
