But Seven-Year-Od Film Star Has to Work Hord for Her \$1250 a Week.

HOLLYWOOD, May 11: (CP) The world's best-known sevenyear-old has spent almost half of her life in the movies.

To all appearances, Shirley Temple is yet unspoiled by the extraordinary attention she receives as a motion picture star. She celebrated her seventh birthday on April 23 but mentally she is years older due to her association with adults. But she still likes to play with the "Wide Awake" (Lee), Betty Mil- children in her block-when she finds time.

No Extension of Early Closing Bylaw For Local Retail Stores

There will be no further extension of the Early Closing Bylaw for Prince Rupert retail stores.

Following rejection yesterday afternoon, as far as clothing, boot and shoe and jewelry stores are concerned, by City Commissioner W. J. Alder of a petition asking for the compulsory closing of stores at 6 p.m. Saturdays, it was announced this morning by the Prince Rupert Retail Merchants' Association that the original petition covering a number of other lines of business was being withdrawn as it would only lead to

confusion and would be ineffective.

The commissioner announced that he was not satisfied that the petition was sufficiently signed as far as clothiers, boot and shoe dealers and jewelers were concerned though he had already found it sufficiently signed with regard to a number of other lines. Groceries, butcher shops, hardware stores are already required under the Early Closing Bylaw to. lock up at 6 o'clock Saturday eve-
