THIS NATURAL FOOD GENTLY REGULATES YOUR SYSTEM

Furnishes Needed "Bulk" for - Regular Habits

Your doctor will tell you that keeping healthy depends far more on proper diet than on drugs, that common constipation is usually due to insufficient "bulk" in meals, and that patent medicines give you only temporary relief.

Kellogg's ALL-BRAN supplies gently acting "bulk" which corrects the eause of common constipation." This "bolk" takes up moisture, forming a soft mass which helps to cleanse the system.

ALL-BRAN gives your body the regular internal exercise it needs to prevent sluggishness. ALL-BRAN also furnishes vitamin B and iron.

Careful studies on men and women have shown that this delicious cereal is perfectly satisfactory. Serve ALL-BRAN regularly for regularity, with milk or cream-or use in cooking.

Two tablespoonfuls daily are usually sufficient. ALL-BRAN is much more effective than part-bran products. Avoid disappointmentget Kellogg's ALL-BRAN at your grocer's. Made by Kellogg in London, Ontario.

"Constipation due to insuficient "bulk."

Bamboo Grove Tropic Touch In Esquimalt

Government Man Raises Plants and Claims They Will Thrive on Island

successfully growing bamboo trees and believes the time will come when Vancouver Island will be covered with tropical trees.

After spending ten years in the tropics, Mr. Keys returned to his bachelor's cottage atop Four-Mile Hill, overlooking Esquimalt and began his experiments. Today his home is surrounded by bamboos 15 to 20 feet tall. He has found a dozen varieties will grow on the

Bamboo, Mr. Keys explained, is nothing more than glorified grass -closely related to corn, wheat barley. The tree requires from 50 to 100 years to flower, after which it immediately dies. But the plants spread by means of their roots and one plant would in time form a

Seattle. The North Sea had on type, he says, will grow at the board fifty-eight passengers all of rate of 10 feet a week, and in China some shoots grow two or three feet daily.

Besides their decorative qualities, some of the trees are highly valuable commercially. A black bamboo with canes shining like polished et is highly prized for walkingsticks and furniture making. One species of bamboo in his grove is edible. The young shoot, pealed and boiled, is a great delicacy among natives and whites in the
