CHRISTMAS Genuine

EDISON MAZDA Lamps 6 for \$1.20

Christmas takes on added joy in a bright, well lighted home. Make it a point to replace all dim bulbs with new, Edison Mazda Lamps and have a spare carton in reserve to keep every socket right up to the mark. Proper light helps the youngsters' studies; puts vim in card games; makes it so much easier and more pleasant to read and sew. It ends eyestrain headaches. Have proper, well-directed lighting all over the house - on stairs, in closets, in corners. It costs so little for the comfort it brings.

We are fortified with merchandise; irresistable in value and absolutely right in price that no Christmas shoppers can in justice to themselves afford to pass up a visit to-
