FIRST PRESBYTERIAN CHURCH

Preacher-Rev. W. D. Grant Hollingworth, B.A. Organist: Mrs. E. J. Smith

1. What is the significance of the rise of dictators in countries such as Germany and Italy?

2. Can Christianity work in and with such governments? 3. Is there any possibility of dictatorships in Canada or the United States?

Come and hear this sermon on this important and timely topic. ALL VISITORS WELCOME

THE MINERALS OF BRITISH COLUMBIA

This Province has produced minerals of an aggregate value of \$1,424,248,000.00.

The value of Mineral production for the year 1935 is estimated at \$47,810,612.00, being an increase of 13% over the production for 1934. The high light of mining in British Columbia during the year has been the substantial increase in gold and silver production.

For authoritative information regarding mining development in the Province, apply to

THE DEPARTMENT OF MINES Victoria, B.C.

It's interesting to know when reading the Daily News that the people of the whole district are doing the same.
