CONSTIPATION* MAY LOWER RESISTANCE TO GERMS

Can Be Corrected by Natural Laxative Food

Common constipation is due largely to insufficient "bulk" in meals. It is a condition that should never be treated casually.

Long neglected, it may contribute to a general run-down condition. Your body lacks the strength it needs to fight off infection. You are much more likely to pick up a serious illness.

Guard against common constipation.* Make sure the meals you eat contain plenty of "bulk." Kellogg's ALL-BRAN is a generous source of effective "bulk."

Within the body, the "bulk" in ALL-BRAN absorbs moisture, forms a soft mass, and gently cleanses the system. This delicious cereal also furnishes vitamin B and contains iron.

Two tablespoonfuls daily, with milk or cream, are usually sufficient. Stubborn cases may require ALL-BRAN oftener. If not relieved this way, consult your doctor.

Serve ALL-BRAN in some form each day, either as a cereal, or cooked into muffins, breads, etc. Eat it regularly for regular habits.

Guaranteed by the Kellogg Com-pany. Sold by all grocers. Made by Kellogg in London, Ontario.
