TOLMIE ELECTED

Many people throughout the province will be pleased to freighting which has tired all prehear that former Premier Tolmie is elected member for vious expeditions in their efforts mez, Calderone, Ferguson; Carroll, Victoria. His election is undoubtedly due to his personal to conquer forbidding ice wastes popularity and to general sympathy with him on his re- grim summit. tirement from the leadership of the party nearly three years ago. At that time his government was so unpopular that he was unable to hold his own constituency of Saan- Lady Rodney ich. The usual revulsion of public feeling has taken place and he is now one of the British Columbia representatives at Ottawa.

It was a close election, the electorate being divided into three almost equal parts. Without a C. C. F. in the field or Corisande Lady Rodney, mother with a weaker candidate than Professor King Gordon, of Lord Rodney, arrived at her the Liberals would probably have won and without a Lib- on's home, Cottesmore farm, Fort eral in the field, Professor Gordon would likely have been saskatchewan, Alta., on May 25 the winner.

We take pleasure in congratulating Dr. Tolmie on his Edmonton. victory. His arrival at Ottawa will make little difference to the line-up of the parties there except possibly to indi- was Mrs Gordon Ives, daughter of cate that the electorate in the west is not very satisfied the dowager Lady Ridley and forwith the record of the Mackenzie King government so far. There is a feeling, justified or not, that the government her journey to eastern Canada is pussyfooting too much.

RADICAL FRENCH GOVERNMENT

France has a radical government led by Premier Leon only hope we can keep it so by Blum. Evidently it did not have the confidence of the French radicals because they had to take the unpleasant last visit to Cottesmore Farm as refereeing services. All the avaiexpedient of going on strike when the government took she "minds" the journey too much, able men are being pressed into power in order to draw forcibly to their attention the fact Lady Rodney felt that flying would service but, for various reasons that the people were determined to have radical legis-lation Existently to their accention the lace that the people were determined to have radical legis-ling long distances but she was The association says it would aplation.
