Good paint is the only insurance that you can put on your home that will protect it from the weather elements. If your home is not protected against dampness and heat, dry rot is the result, which takes a heavy toll in property each year.

Drop in and let us tell you about B-H "English Paint." It carries the manufacturer's written guarantee. For those who wish to mix their own paint and still have the high quality of B-H "English" you cannot buy anything finer or longerlasting than 70-30 Paste White. Let us help you with your painting problems.
