Shower Party At Terrace Enjoyed

Mr. and Mrs. Pat MacIlroy Honored At Delightful Affair

TERRACE, Jan. 7.—A lively party in the form of a shower was held in the Orange Hall last Thursday evening in honor of Mr. and Mrs. Pat MacIlroy, who were married on New Year's Eve. Mrs. MacIlroy was formerly Miss Carmen Smith.

To the strain of the wedding march the bride and groom were ushered to the stage of the hall, followed by little Onnolee Kirkaldy dressed as a bride and wheeling a prettily decorated buggy laden with lovely gifts. The crowd gathered round in a semi-circle while the bride and groom opened and displayed their gifts. Mr. MacIlroy, on behalf of his bride and himself, thanked everyone for their kindness.

Dancing, consisting of many circle and tag dances, was enjoyed until midnight, music being supplied by Mr. and Mrs. S. Kirkaldy. Mrs. Dilling, Miss L. Kenney and Rawley Beecher.

Delicious refreshments were served when a toast to the happy couple was proposed by Rev. Adam Crisp to which all present responded most heartily.

The gathering was favored with vocal selections and a very unique Scotch Reel, in costume, which was cleverly executed by Sam Kirkaldy and Elwood Brooks. Dancing was resumed until 1:30 a.m. when all joined hands and sang "Auld Lang Syne."

Those invited were: Mr. and Mrs. W. E. Smith, Mr. and Mrs. E. Haughland, Mr. and Mrs. W. L. Jordan, Mr. and Mrs. J. H. Smith, Mr. and Mrs. C. Couthers, Mr. and Mrs. F. Scott, Mr. and Mrs. E. Joe Crosson Takes Serum to Fairbanks

Veteran Northern Flier Makes Trip North From Juneau

FAIRBANKS, Jan. 7. (CP)—Pilot Joe Crosson, veteran northern flier and hero of many mercy and relief expeditions, has completed a flight from Juneau to Fairbanks with anti-toxin to be used in connection with the scarlet fever epidemic which has made necessary a general quarantine here.

To maintain the quarantine, the city has been in a virtual state of siege with police patrolling the streets and the University of Alaska, schools and meeting places closed.

Immediately after the arrival of Pilot Crosson, Dr. F. B. Gillespie, deputy territorial health officer, began administration of the serum and today fears of an epidemic were allayed.

No deaths have occurred and all patients are in isolation wards. Fifteen persons have been stricken and others are being observed.

Their search for money is funny to watch,
With bagpipe and kilt
They make the girls wilt,

Second Limerick
At Laurel and Hardy you'll certainly yell
When you see them dressed up as "Ladies of Hell,"
As Scotch Sandy and Mack
A laugh wallop they pack,

Death Was Due To Heart Disease

Verdict to This Effect Returned In Connection With Finding Of Body at Bella Coola

Divisional headquarters of the provincial police were advised yesterday afternoon by Constable Condon of Bella Coola that a coroner's jury there had returned a verdict of death from heart disease in the case of Frank Kelly, Indian, whose body was found on the reserve there after having been missing for three days. According to Constable Condon there was no evidence of foul play as suggested by dispatches received from Vancouver earlier in the day.

Dr. Gilchrist of Ocean Falls, who conducted a post-mortem examination of the body, gave the opinion that death was due to over-stimulation of an already diseased heart probably from acute gastritis due possibly to the effects of home-brew. Death occurred between December 31 and January 2 and did not take place at the point where the body was found. The remains had been removed by a person or persons unknown. The possibility of foul play, however, has been entirely dismissed.

CONDITIONS IN UNITED STATES

Were Maintained At Moderate Level With Reactions Failing To Recur

WASHINGTON, D.C., Jan. 7. (CP)—Economic conditions in the United States were well maintained at the moderate level reached in the early months of the year, the marked reactions characteristic of the two preceding years failing to recur in 1935. Industrial production as measured by the index of the Federal Reserve Board consequently showed a gain of about 11 per cent over 1934.

A significant factor of the year was the sharp gain in the import trade of the United States. Total imports were nearly \$1,500,000,000—a clear-cut increase of no less than 21 per cent over the first nine months of 1934. General imports from Canada were reported at \$203,000,000 against \$163,500,000 in the first nine months of 1934, the increase being stepped up to 24.3 per cent.

Exports from the United States on the other hand, recorded only a slight increase over 1934. The total of exports and re-exports was about \$1,568,000,000 in the nine-month period of 1935 showing a gain of only 0.4 per cent over the \$1,561,000,000 of exports in the

same months of the preceding year. The gain in the exports to Canada was 6.6 per cent, the total in the available period of 1935 having been \$243,500,000.

Union steamer Catala, Capt. James Findlay, returned to port at 1:20 this morning from Stewart, Anyox and other northern points and sails at 1:30 this afternoon for Vancouver and waypoints.
