BOMBINGS CLOSE TO BRITISH SOMALILAND

Foreign Spy Ring Attempting To Steal Plans of Victorian For Air-Controlled Submarine

VICTORIA, Jan. 7: (CP)—The Victoria Times, in its news columns Monday, said that efforts of what may be a foreign spy ring to seize plans for a recently invented radio-controlled submarine are reported here.

The Times adds: "The submarine has been invented by a Victorian whose name is unknown at present and who is now in hiding on Vancouver Island with his plans pending application for patenting them. The occasion of an attempt to steal the plans was about two months ago when a local office was entered and ransacked. The plans had not been out of the hands of the inventor, however, and the attempt failed."

GHASTLY SLAYING

Young Man and Wife and Two Babies in New Brunswick Are Believed to Have Been Murdered

PACIFIC JUNCTION, N.B., Jan. 7: (CP)—The charred body of Phillip Lake, aged 30, was found in the cellar of his burned cabin here yesterday while the body of his young wife, almost naked, was found in a pool of blood about one-eighth of a mile away with the body of their twenty-month old son nearby. There was no trace of a six-month old daughter who is believed to have been cremated in the cabin fire.

Police believe that a murder was committed and are hunting for two men whose tracks led through snowdrifts away from the place where the bodies of the mother and the child lay.

The bodies have been taken to Moncton where an inquest will be held.
