And You'll Jump Out of Bed in the Morning Rarin' to Go

The liver should pour out two pounds of liquid hile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You get constipated. Harmful poisons go into the body, and you feel sour, sunk and the world looks punk.

A mere bowel movement doesn'talways get at the cause. You need something that works on the liver as well. It takes those good, old Carter's Little Liver Pills to get these two pounds of bile flowing freely and make you feel 'ap and up'. Harmless and gentle, they make the bile flow freely. They do the work them. Ask for Carter's Little Liver Pills by name! Stubbornly refuse anything else, 25c.
