### TRADE WITH RUSSIA

One of Prince Rupert's neighboring ports is Vladivos- temporary retirement. Mrs., Moody New York tok. It is across the Pacific about opposite us. In view of is too young and too active to be St. Louis our proximity it is very desirable that we be able to trade with each other. That is one reason why the action of the again next year. But critics say Cincinnati federal government in raising the embargo is particularly that she has passed her prime, Boston interesting to us. It also should allow those who are all and logically point out that she Brooklyn ways lauding Russia and running down Canada an oppor- will find it harder to regain her Philadelphia tunity to cross the Pacific and join the workers of that much favored land.

The News believes in trade. As the representative news- of the world since she first won Chicago paper of an ambitious port, it could not do otherwise. We the national title in 1923, with pig- Washington believe that no country can live unto itself and that it is tails hanging down her back. just as reasonable to trade with Russia as with Japan or China or India. Especially desirable is it that trade with followed shortly by that of "Helen St. Louis the Orient should be cultivated as long as it is properly II," Miss Jacobs, who followed the Philadelphia hedged by such tariffs as will protect the Canadian workmen and manufacturers in a reasonable way.

### AS MAINE GOES

"As Maine goes, so goes the nation," is an old saying in the United States. Yesterday the Republicans swept the state of Maine and this will be considered an augury of what will happen at the presidential election in November. likely to play more than another anywhere." Until now everything pointed to the return of Roosevelt, year. She has been troubled with but now the outcome seems in doubt. Even if the president is given a second term it will probably be with a very greatly reduced majority and the possibility of a hostile from Frau Sperling showed her to Congress before the end of the term. The outlook for the be almost completely exhausted, "New Deal" program is anything but hopeful.

As a matter of fact the tendency today is away from ed before. radicalism. The depression is rapidly passing and in good Like Mrs. Moody, Miss Jacobs has times people have no use for extreme legislation. Only her artistic interest. Her recent when there is another depression will people begin to look book on tennis has been well refor a better way of administering the affairs of the na-ceived everywhere. Her goal is fiction. This is really the time when people should prepare tion, and literary critics believe she for the next depression but they never do. They carry on Moody and Miss Jacobs will rob as if it would always be like this and the hard days of five tennis of its best names in the last years ago are becoming only a dim memory. Evidently ten years and marks the end of most Americans have forgotten the days when the banks America's great era on the courts were almost all closed or closing, when fear stalked that began with Bill Tilden and through the nation and when nobody could be sure what "Little Bill" Johnson. would happen tomorrow. There seemed to be no money No men players have risen to anywhere and even gilt-edged securities could not be sold take the places of these stars but except at bargain prices. Roosevelt brought the nation now Alice Marble, also of San Franthrough a terrible time but now or soon a normal Repub-cisco, gives promise of stepping lican administration will be chosen, an administration miss Marble was regarded as Amthat is a reflex of the popular mind, which in that country erica's most promising young playis conservative.

first lady of tennis, won't admit it, but it is evident that the greatest feminine net player the world has ever known is through with the game so far as big time competition is concerned. The San Francisco matron did not take part in the national championships Forest Hills this fall. Helen said she was withdrawing for this year only that she might complete her duties as a designer for a national dress firm, a job that is satisfying her artistic talents

But tennis experts who have the Giants a four and a half game watched her game since she began lead over the Cardinals and practice early in the spring with the avowed intention of returning Cubs who lost a close decision to Wimbledon and Forest Hills say the Dodgers at Brooklyn. there are other reasons for her temporary retirement. They say Chicago White Sox, that it is not art, but tennis, and home, took both ends of a double very bad tennis so far as Mrs. header from Washington Senators Moody goes, that caused her to and pretty well confirmed them make last minute cancellation of selves in second place with three her plans for both the British and and a half games of margin over American tournaments.

After many months of spasmodic one-run shut-out over the Boston practice that indicated her waning Red Sox, to tie with Washington interest in competition, Mrs. Moody for third place. entered the mixed doubles of the California state championships with Edward ("Bud") Chandler as her partner. Her appearance in the 1.40 state tourney proved that her .02 drawing power has not passed, for .25 the affair made money for the first time in many years, but tennis critics saw the decline of her once powerful and brilliant game.

The serve that equaled that of were lacking. And Mrs. Moody, as sensitive to her own game as the critics, soon told the world of her regarded as a "has been," and so Chicago the indicates that she may be back Pittsburg form next year than she did this season. After all, Queen Helen has! been the top ranking tennis player

Mrs. Moody's retirement will be champion up the same ladder step by step at the Berkeley Tennis Club, at the University of California and in the same tournaments, and who lost the United States open title to Alice Marble at Forest Hills on Saturday. Miss Jacobs' father, a San Francisco advertising dian court upheld 'a jaywalker's Lunch Tongue man, says that his daughter is not a physical ailment for some time, and pictures of her after she won! the recent Wimbledon tournament something that has never happen-
